Pharmacy solutions in the palm of your hand

Use our prescription shopping tool to save both time and money.

Compare prices at nearby pharmacies

You'll find real-time prices, including all available discounts, so you can be sure you're getting the best possible price. You can also use it to transfer prescriptions to a lower-cost pharmacy and see what's covered by your health plan. Get started at **healthpartners.com/pharmacy**.

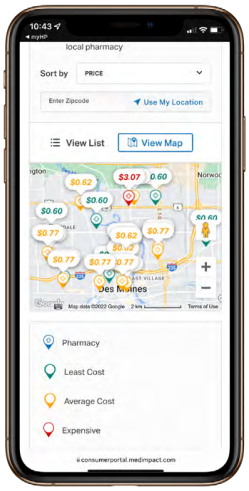
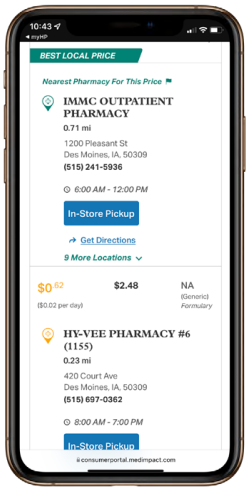
Sign in to your account

Manage your health and your plan at **healthpartnersunitypointhealth.com** or the HealthPartners mobile app.

Don't have an account yet? It's quick and easy to sign up – you'll just need your member ID card.





You can also use the prescription shopping tool to:

- See available refills
- Check the status of prior authorizations
- Download tax reports of what you spent in the last year
