

Wellbeats™

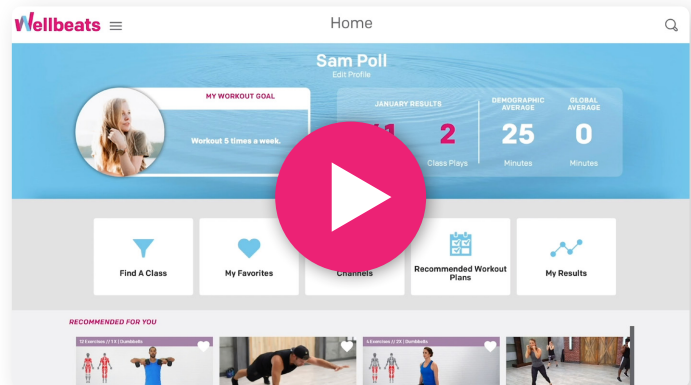

Discover Fitness That Fits Your Life

There's more to Wellbeats than just pressing play. Discover the features in the virtual fitness app that are designed to help you on your fitness journey.

What You Will Learn in This Video

- How to use the class filter to customize your workout
- How to start a challenge according to your goal
- How to view personal statistics
- How to view most-popular classes
- How to personalize your user dashboard
- And so much more!
