Reimbursement Information

How are payments scheduled?

Scheduled tuition reimbursement payments are calculated upon approval of submitted documentation. Payments that are approved for reimbursement will appear in a "reimbursement pending" status.

Tuition Reimbursement Processing

Payment Remittance Date	Information
7th of the Month	If your documentation was approved between the 16th of the previous month and the 1st of the current month, your tuition reimbursement will be processed on the 7th of the month. Please allow up to 2 weeks before you will receive payment.
21st of the Month	If your documentation was approved between the 2nd and the 15th of the current month, your tuition reimbursement will be processed on the 21st of the month. Please allow up to 2 weeks before you will receive payment.

Note: Documents are typically reviewed the business day after they are received. However, during high volume periods, processing times may be longer.

End of year documentation deadline?

In order to receive your tuition reimbursement in the current tax year, documentation needs to be received and approved no later than December 20th. Due to high volumes and holidays, it is recommended that you return documentation no later than December 14th to ensure your documentation is approved before the deadline.
