

Fiducius Student Loan Relief Benefit – Overview

UnityPoint Health has enhanced its partnership with **Fiducius** to assist team members in taking control of their student loans. **Fiducius** provides in-depth education and comprehensive support with student loan restructuring options, including Public Service Loan Forgiveness, the SAVE repayment plan, and defaulted loans. With **Fiducius**, expert advisors are ready to meet with you one-on-one using unique technology and a full-picture approach to put you on the proper student loan path.

Eligibility: All **UnityPoint Health** team members are eligible for this benefit.

The benefit includes a one-on-one meeting with an expert advisor that will identify the best approach for each team member's unique student loan situation.

Eligible Student Loans: Both existing and new student loans could qualify for loan assistance. **Fiducius** will work with you on student loans for yourself and any student loans you have in your name for your children or grandchildren (Parent Plus loans).

Getting Started: Begin today by completing the short online assessment. It is the first step in the Student Loan Financial Planning process provided by **Fiducius**.

1. [Log In](#) to the MyFiducius Portal

UnityPoint Health has created an account for you. Please do not select "Create Account."

- Select "Forgot password" and enter your work email. Then click on the "Reset password" button. A link to set/reset your password will be sent to your email (this can take a few minutes to arrive).
- Click on the link provided in the email to reset your password within 30 minutes of receiving the link.
- Email LoginAssistance@GetFiducius.com with the subject line "UnityPoint Health" if you experience any problems logging in.

2. Complete Initial Screening

- Answer basic screening questions to learn your loan options and follow the next steps.

If you have additional questions, submit a Contact Us request located on the left-hand side of your portal or call 1-513-275-5913.
