hello.

As a team member at UnityPoint Health, we're proud to offer you a comprehensive Total Rewards program. Total Rewards is the value provided to our team members and their families throughout their career at UnityPoint Health by combining Compensation, Benefits, Personal Growth and Development, Recognition, Well-Being, and Purpose into one, simple program.

How to Use this Guide

We know there is a lot of information in this guide, and you might be feeling a little overwhelmed. We put together a few tips for how to get the most out of this guide as you're preparing to select your benefits.

› Use the Table of Contents

We know you likely won't need every benefit we offer. To quickly get to the information you care about most, reference this guide's Table of Contents. We've included links, so you simply have to click on the title you want to learn more about, and you'll automatically be taken to that section.

› Know Where to Get the Most Up to Date Information

Some people like to print this document off, so that they can review it with their spouse or domestic partner. Please remember that these enrollment guides are sometimes updated throughout the year. For the most up to date information, head to unitypoint.org/totalrewards. This site is completely accessible from home, so you can easily review this information on your personal computer, smartphone or tablet, too.

› AskHR is Here to Help!

The AskHR team is comprised of your fellow UnityPoint Health team members, and they are experts on all our benefit offerings. If you have questions about anything in the enrollment guide, reach out to AskHR by creating a case in Lawson or by calling (888) 543-2275.

This booklet highlights the main features of the benefit plans sponsored by UnityPoint Health. Full details of these benefits are contained in the legal documents governing the plans. If there is any discrepancy or conflict between the plan documents and the information presented here, the plan documents will govern. In all cases, the plan documents are the exclusive source for determining rights and benefits under the plans. UnityPoint Health reserves the right to change or discontinue the plans at any time with appropriate notification. Participation in the plans does not constitute an employment contract. UnityPoint Health reserves the right to modify, amend, or terminate any benefit plan or practice described in this booklet. Nothing in this booklet guarantees that any new plan provisions will continue in effect for any period. Plan documents are available at the HR landing page on the Hub or by contacting AskHR at (888) 543-2275.

Enrollment and Eligibility

Eligible team members have 30 days from their start date to enroll in benefits using the Lawson portal. Benefits coverage begins the first day of the month following your start date. You can find a link to Lawson and instructions for how to enroll on the **Total Rewards Site**.

Who is Eligible

You are eligible to enroll in UnityPoint Health benefits if you are in a benefits-eligible status. You are eligible for benefit coverage if you are a:

Full-time	Part-time
Full-time team member who is regularly scheduled to work 64 hours or more per pay period. (0.8 - 1.0 FTE)	Part-time team member who is regularly scheduled to work 32-63 hours or more per pay period. (0.4 - 0.79 FTE)

Dependents

In most cases, you can also cover your eligible dependents. If adding a spouse/domestic partner or dependent child, UnityPoint Health highly encourages adding their social security number (identification number) into their dependent profile to support benefit activities such as insurance claims processing, wellness credit reporting, and form 1095 creation. During your enrollment, you will not be asked to verify your dependents. (Please review information on domestic partners below). With that said, you could be subject to a future audit asking you to provide dependent verification documents. To verify your dependent's eligibility (if audited), you would need to provide documentation such as a marriage certificate, government issued birth certificate(s), recent federal tax return, etc. If requested documents are not received within 30 days of request, the applicable dependents would be removed from the elected benefit(s). We recommend you keep these documents on hand in the event you are asked to provide them.

Eligible dependents include:

- Spouse/partner (if legally married under federal law)
- Civil union partner (if legally recognized by a government authority)
- Domestic partner (DP) (if applicable). When enrolling a domestic partner, you will be required to verify and acknowledge that they are eligible for the plans you have selected. After you complete your enrollment our HR Shared Services team will reach out within a few business days to advise on the next steps towards verifying your domestic partner.
- Common law spouse (if applicable)
- Your children under age 26. "Children" are your biological children, children for whom there are parental responsibility documents issued by a court, legally adopted children, children of a current same-gender domestic partner or current civil union partner, children legally placed for adoption or foster care, children for whom there is a Qualified Medical Child Support Order (QMCSO), and stepchildren as long as the team member and parent are married.
- Unmarried children of any age who are unable to support themselves because of a physical or mental disability, are not covered by other government programs, were covered under the plan prior to age 26, and are wholly dependent upon the participant for support and maintenance.

Working Spouse Surcharge

Team members that choose to enroll a working spouse or domestic partner who is eligible for health insurance coverage through their employer will pay a \$75 working spouse surcharge. The \$75 surcharge only applies to medical coverage and will be added to your per pay period medical premium.

Domestic Partner Imputed Income

If you choose to add your domestic partner to your medical and/or dental coverage, you will be responsible for imputed income tax on the difference in the employer premium for the additional coverage. Please contact AskHR with questions or for additional details.

Making Benefit Changes During the Year

Based on IRS rules, you can generally make changes during the year only if you have a qualifying life event that impacts your family or employment status. For example, loss of health coverage, birth of a child(ren), marriage, or changes in residence. In order to make changes mid-year, you'll need to complete a "life event" in Lawson and submit any requested documentation, which could include dependent verification. You'll have 30 days from the date of the event to make benefit changes for the loss of health coverage, marriage, divorce, or changes in residence. You'll have 60 days from the date of the event to make benefit changes for birth of a child(ren), adoption, or placement for adoption. Team members can contact AskHR if they have questions regarding life events. If you transfer employment to another UnityPoint Health affiliate, your benefits will continue unchanged if you continue to meet eligibility requirements. You cannot make changes to your benefit elections if you transfer employment as this is not a qualifying event for making changes during the year. Team members are not allowed to make changes mid-year between plan options under health insurance or dental insurance. For example you may not change from the Network Plan to the Health Savings Plan (HSA) or vice versa.

Status Changes

If you are a current team member who is newly benefit eligible, you have 30 days from your status change date to enroll in benefits using the Lawson portal and submit any requested documents. Your benefits coverage begins the first day of the month following your status change date.

If you're moving from a full-time status to a part-time status or vice versa, health insurance is the only benefit that you have the option to change. You have 30 days from your status change date to contact AskHR and request a change in health insurance.

If you have questions about eligibility or how our benefit programs work that are not addressed in this guide, please contact AskHR.

MY BENEFITS

Health, dental, and vision insurance, life and disability insurance, and programs to help save for the future, such as 401(k) and Health Savings Account (HSA)

Health Insurance

Key Health Care Terms

We've compiled this list of health care terms to help you navigate this section of the enrollment guide:

Deductible: Dollar amount you must pay for covered care each calendar year before the medical plan pays benefits for services. The deductible doesn't apply to every service so be sure to check out the summary schedule of benefits. Under the Network plan, the family must collectively satisfy the family deductible. Additionally, each family member has an individual deductible in addition to the overall family deductible. Meaning if an individual in the family reaches his or her deductible before the family deductible is reached, his or her services will be paid by the insurance company. Under the Health Savings plan (HSA), the family deductible must be reached, either by an individual or by the family, before services will be paid by the insurance company. There is no individual deductible under the HSA plan.

Coinsurance: Percentage of the cost for eligible medical expenses that you pay after you meet the deductible. For example, under the Health Savings Plan, after you meet the deductible, the plan will pay 80% of covered costs and you pay the remaining 20% up to the plan's out-of-pocket maximum limit. The 20% is your coinsurance.

Copayment (or copay): A fixed amount that you must pay for a service. Copays can vary depending on the service you receive. For example, under the Network Plan, you will be required to pay a \$50 copayment if you have an office visit to a specialist provider.

Network Providers: Providers who have agreed to lower rates for services. The UnityPoint Health medical plans provide benefits for covered services provided by network providers.

Out-of-Pocket Maximum (OOPM): Maximum dollar amount that you pay for eligible expenses in a calendar year. The plan pays 100% of eligible expenses for the rest of the calendar year after the out-of-pocket maximum is reached - providing financial protection for you by limiting your out-of-pocket expenses in a given calendar year. The out-of-pocket limit is a combined amount for both medical and prescription coverage under each medical plan.

About the Medical Plans

You will have the choice to waive medical coverage or select coverage from one of two HealthPartners medical plans:

01

Network Plan

02

Health Savings Plan (High Deductible)

Both medical plans cover the same basic medical services. Your share of the cost of the medical services you receive differs.

If you select the Health Savings Plan you will pay significantly less in biweekly premium cost for coverage than the Network Plan. Conversely, the cost of care (deductible amounts and out-of-pocket limit) will be higher in the Health Savings Plan than it will be in the Network Plan.

UnityPoint Health advances a contribution on your behalf into your Health Savings Account when you enroll in the Health Savings Plan. The amount is prorated based on your benefit eligibility date and helps offset the amount of potential out-of-pocket cost you may have. Those dollars, in addition to any dollars you contribute yourself into your HSA, can be used to pay for the higher cost of care under the Health Savings Plan.

In the event you don't use all of the HSA dollars in your account during the year, the funds will roll over into the next year which can allow you to build up your account over time. Learn more about the HSA later in the guide.

Both medical plans offer the same network of doctors, hospitals and health care specialists who deliver quality care according to network standards and have agreed to lower, preferred rates for covered services.

About Your Medical Plan's Prescription Drug Coverage

If you take any medications regularly, prescription drug costs can add up to a significant part of your overall health care expenses. Knowing how your medical plan's prescription drug coverage works and what to do to manage costs can help you make smarter purchases and lower your out-of-pocket costs.

Here are a few items that are important to note:

- Under the Network Plan, lower Tier 1 copays for generic or brand drug fills (\$10 copay for formulary generic drugs and \$40 copay for formulary brand drugs) will apply when having prescriptions filled at a UnityPoint Health or Hy-Vee pharmacy. In addition, Tier 1 copays will apply to any retail pharmacy located outside a 15 mile radius of a UnityPoint Health or Hy-Vee pharmacy.
- Please note, to further support our rural communities and those with limited access to a UnityPoint Health or Hy-Vee pharmacy, the lower Tier 1 copays explained above will apply to a few additional pharmacies. For a full list, please click [here](#).
- Under the Network Plan, higher Tier 2 copays for generic or brand drug fills (\$20 copay for formulary generic drugs and \$50 copay for formulary brand drugs) will apply when having prescriptions filled at any retail pharmacy located within a 15 mile radius of a UnityPoint Health or Hy-Vee pharmacy.
- Coverage at CVS pharmacies (including Target locations) will not be provided.
- Both medical plans only provide coverage for formulary drugs. The formulary is compiled by a group of doctors and pharmacists. Medications are reviewed and approved for the formulary based on medical effectiveness and cost, which helps keep costs affordable for you. If you'd like to check to see if your prescriptions are on the formulary list, head to healthpartners.com/unitypointhealth and click "Check Prescriptions."
- The Rx shopping tool is an online prescription cost-saving tool. It helps you find the lowest cost for medicines, based on your current health plan. Visit healthpartners.com/unitypointhealth and log on to your myHealthPartners account. Once logged on, you'll be able to use the Rx shopping tool.
- A UnityPoint Health **Medication Therapy Management (MTM)** pharmacist can help you focus on your medicines to make sure they are a good fit for you and your health conditions. Your personal pharmacist will work with you and your care team to check that your medicines, doses, and schedules meet your needs. Your pharmacist will also make sure that your drugs work well together and aren't causing side effects. Visits can often be provided by phone or video conference, making them easier to fit into your schedule. Working with a pharmacist on a regular basis might also save you money on your medicine copays.

Preventive Care Benefits

Working in health care, we know how adopting a healthy lifestyle can help us stay well and live better. Therefore, it is important that you periodically receive physical exams and health screenings that help you identify health risks early to avoid developing more serious problems down the road.

The following preventive services are covered at 100%, with no deductible, whether you enroll in the Health Savings Medical Plan or the Network Medical Plan as long as you see a network provider:

- Routine health exams and periodic health assessments
- Well-child visits
- Routine screening procedures for cancer
- Routine hearing exams
- Adult immunizations
- Women's preventive health services including all FDA approved contraceptive methods as prescribed by a physician
- Obesity screenings and management

Which Medical Plan is the Best Choice for Me?

There is a lot to consider when selecting a medical plan, and you may not always know what medical expenses or other financial obligations you may face throughout the year. That is why it is important for you to take time and think through which medical plan is best for you based on your unique situation.

While we tend to hope for the best outcome, it is also wise to evaluate what the worst-case scenario may look like. You may fall somewhere in between, but the chart on the next page should help you evaluate what you may pay out of pocket for coverage under each medical plan in the best- and worst-case scenario.

Please keep in mind, these scenarios are based on annual premiums and annual employer contribution amounts, so your experience may vary depending on your benefit eligibility date.

 BEST CASE SCENARIO	Health Savings Plan Best Case Out-of-Pocket Cost (Your Annual Premium minus HSA Contribution UPH Makes on Your Behalf)	Network Plan Best Case Out-of-Pocket Cost (Annual Premium)
Employee Only	\$410.38	\$1,939.60
Employee + Child(ren)	\$748.74	\$3,759.34
Employee + Spouse/DP	\$1,233.64	\$4,570.28
Family	\$2,248.68	\$6,267.56

You and your covered dependents, if applicable, have routine health exams and assessments during the year that are covered 100 percent by the plan under preventive services and no other major medical services or prescriptions are needed throughout the year. The only cost that you would be responsible for in this scenario is your bi-weekly premium cost for coverage. If you enroll in the Health Savings Plan, that total cost is offset by the contribution UnityPoint Health makes to your Health Savings Account (HSA). Be sure to refer to the Health Savings Account section to learn about what you can use the HSA funds for, how you can rollover unused funds at the end of the year and more.

 WORST CASE SCENARIO	Health Savings Plan Worst Case Total Cost (OOPM limit + Annual Premium - HSA Contribution UPH Makes on Your Behalf)	Network Plan Worst Case Total Cost (OOPM limit + Annual Premium)
Employee Only	\$4,660.38	\$5,064.60
Employee + Child(ren)	\$7,748.74	\$10,509.34
Employee + Spouse/DP	\$8,233.64	\$11,320.28
Family	\$9,248.68	\$13,017.56

The worst-case scenario would be that during the year you and/or your covered dependents receive medical care that brings you to the maximum out-of-pocket limit under the plan before the plan would cover any remaining cost over that limit. The maximum out-of-pocket limit amount plus the total annual premium represents the worst-case scenario of total cost that you may pay in a calendar year for medical and prescription coverage.

PLAN FOR ME TOOL

Compare the plan options and potential costs

Another great tool for you to use to help estimate your annual health care expenses is the **Plan for Me tool** which can help you compare the plan options and potential costs based on your unique situation and potential medical care you may need. You will be asked to enter the age and gender for yourself and your dependents, outline potential medical care you anticipate from a list of common conditions, and select medications for yourself or your dependents. Once you've entered that information, the tool will provide a comparison of the Health Savings Plan and Network Plan outlining an estimate of your costs for the year. To get the best comparison, it's also helpful for you to have premium amounts, medicines you are taking, and doctors, clinics or hospitals you use. Click [here](#) to get started.

Please note: You may be prompted to enter a Group Number, Site Number, and Effective Date. The information to enter for each is listed below.

- Group Number: 32116 - Site Number: 100 - Effective Date: 01/01/2023

*Funds can be carried over year-to-year if you don't use them or used for medical or pharmacy expenses like meeting deductibles and out-of-pocket limits for the team member, spouse, or tax dependent. The spouse and tax dependent don't have to be covered under a UnityPoint Health Medical Plan to be able to use HSA funds. Refer to the Health Savings Account section to learn more.

**UnityPoint Health advances the employer contribution to your account when you enroll in the Health Savings Plan which allows you to have access to those funds immediately. This amount is prorated based on your benefit eligibility date and number of months remaining in the year.

***Premium amounts shown above do not include the working spouse surcharge. For more information, please refer to the Enrollment and Eligibility section.

The percentages in the following table are the percentages you pay. For example, if you see 20% that means the plan pays 80% and the remaining 20% is your responsibility. If you see a "100% covered" that means there is no member responsibility for that type of care or service. Anytime you see "after deductible is met" this means the annual medical deductible for the plan must be met before the plan will pay. Please keep in mind that these do not reflect any services not covered by the plan or benefit reductions caused by not complying with precertification.

Zip Code Table for Network Plan - PCP Office Visit Copay

If you enroll in the Network Plan and your home residence zip code is listed in the table below, your Primary Care Provider (PCP) office visit copay will increase to \$50 if you choose to see an in-network, non-UnityPoint Health PCP. If your PCP Office Visit is to a UnityPoint Health PCP, your copay will remain \$10.

- If your home residence zip code is **NOT** listed in the table below, your Primary Care Provider (PCP) office visit copay will be \$10 as long as you see an in-network PCP.

(For a quick way to see if your home residence zip code is listed in the table below, use "ctrl+F" on your keyboard, which will open a search bar. Once that appears, enter your home residence zip code and press "enter".)

Health Savings Account (HSA)

What are the benefits of establishing a Health Savings Account (HSA)?

There are many benefits of establishing an HSA. Some of the top benefits include:

- Contributions reduce taxable income, funds grow tax-free and distributions for qualified expenses are not taxed.
- UnityPoint Health makes a contribution to your health savings account.
- The balance can grow from year to year. Unlike a flexible spending account (FSA), the HSA is not a “use it or lose it” account. The balance can continue to grow until a time you have a need to access the funds for qualified expenses.
- HSA funds belong to you even if you leave UnityPoint Health, change medical plans, or retire.

To Receive and Make Contributions:

- You will need to open an account with Fidelity (instructions below.) This will allow your payroll contributions and the UnityPoint Health contribution to be deposited at Fidelity.
- In order to make pre-tax contributions to your HSA, you will need to elect those contributions within the Fidelity website. This will be the only method of making and changing your contributions throughout the year.

Opening an account with Fidelity

When you're ready, opening and managing your HSA with Fidelity is fast and easy. You'll get information on investment choices, payment options, and ongoing support to help you build and manage your savings. For convenience, you can open a Fidelity HSA online.

Here's how it works:

- Log into NetBenefits® at **NetBenefits.com/UnityPoint**.
- From the home page, click "Open" next to Health Savings Account.
- If you do not have access to NetBenefits, contact a Fidelity Representative at 1-800-544-3716.

HSA Account Transfer Process

To transfer an HSA account from another provider, team members must first set up their Fidelity HSA:

- 01 Log in to **NetBenefits.com**.
- 02 Click the "Open" link next to "Health Savings Account."
- 03 Follow the online instructions. *Establishing a Fidelity HSA is not automatic.*
 - After the Fidelity HSA is open, team members may transfer savings from other HSA providers.
 - Fidelity can coordinate the transfer for team members and does not charge a fee for this transaction.
 - This transfer is not considered a taxable event and will not be reported to the IRS.
 - The assets being transferred are not applied toward the team member's HSA maximum annual contributions limit. To transfer other HSA assets team members can click **here**.

2023 Annual HSA Contribution Limits*

Individual health care coverage	\$3,850**
Family health care coverage	\$7,750**
Additional catch-up contribution (if age 55 or older)	\$1,000

*Please remember to not exceed the annual IRS HSA contribution limit, which is the total of your personal contribution plus UnityPoint Health contribution.

**The maximum amount you may contribute to your HSA, assuming you enroll at the start of 2023. These amounts include UnityPoint Health contributions. If you enroll into an HSA after the first of the year, this amount will change based on the monthly prorated UnityPoint Health contribution.

Dental Insurance

You will have the choice to elect dental coverage from two plans:

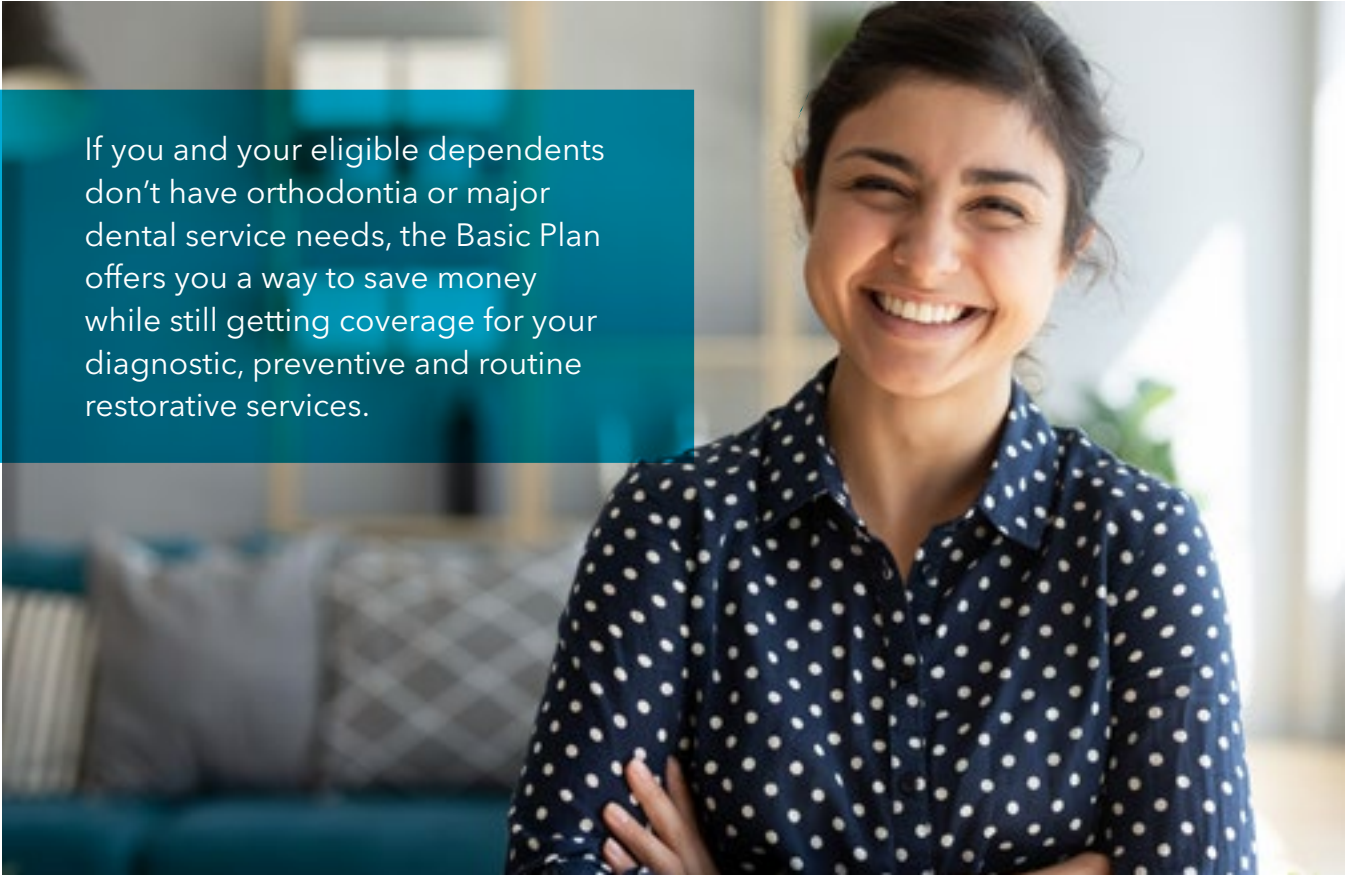

01	Premier Plan	02	Basic Plan
----	--------------	----	------------

About the Dental Plans

Both dental plans provide coverage for preventive and basic care services. When you enroll in the Premier Plan, orthodontia (under age 19) and major services will be covered for you and your eligible dependents. The Basic Plan will have significantly lower premiums as a result of not covering major services and orthodontia. **If you and your eligible dependents don't have orthodontia (under age 19) or major dental service needs, the Basic Plan offers you a way to save money while still getting coverage for your diagnostic, preventive and routine restorative services.**

The Enhanced Benefits Program (EBP) is available under both plans. The EBP offers additional oral health services to Eligible Covered Persons with qualifying dental or medical conditions. Qualifying participants may be eligible for additional cleanings and topical fluoride application.

Delta Dental contracts with dentists and other dental care providers in all of the communities where UnityPoint Health affiliates are located. When you see a dental provider who is in the Delta Dental PPO network, you will commonly pay less than when you see a dental provider who is in the Delta Dental Premier network or an out-of-network provider. You can review the coverage levels and premium information for each dental plan below to help you determine which plan is best for you. The percentages in the following table are the percentages you pay.

If you and your eligible dependents don't have orthodontia or major dental service needs, the Basic Plan offers you a way to save money while still getting coverage for your diagnostic, preventive and routine restorative services.

*The Individual Annual Maximum is the maximum benefit each covered person is eligible to receive for certain covered services in 2023.

**The Lifetime Maximum is the maximum benefit each covered person is eligible to receive for orthodontics in a lifetime.

***You will commonly pay less when seeing a Participating Delta Dental Dentist. For more information, please see the Dental SPD located on the HR Landing Page.

Vision Insurance

Under the vision plan, you may purchase your eyeglasses and contacts at the eye care provider of your choice. However, when you use an Avesis network provider, you receive the highest level of plan benefits and have the lowest out-of-pocket costs.

For routine eye exams, you can see any Optometry provider; in or out-of-network. However, for non-routine eye care, you'll need to visit an in-network provider.

Flexible Spending Accounts (FSA)

Flexible Spending Accounts (FSAs) give you the opportunity to lower your taxes by paying for eligible health care and dependent care expenses on a pretax basis. You choose whether to participate in one or both of the accounts during each year. The FSAs are funded entirely with your contributions, which are made with pretax dollars from your paycheck.

Estimate how much you expect to spend during the 2023 plan year for eligible out-of-pocket health care expenses or dependent care expenses. For your 2023 plan year, you will be able to submit an eligible expense with a date of service between January 1, 2023 and December 31, 2023 and be reimbursed with your 2023 plan year funds. All eligible claims will need to be submitted by March 31, 2024.

As you choose to participate, there are a few things to keep in mind:

- 01 **Understand the “use-it-or-lose-it” rule.** Unspent money left in your FSA accounts is forfeited after the end of the year.
- 02 **Each account is separate.** You cannot transfer money between the health care and dependent care accounts.
- 03 **No automatic re-enrollment.** IRS rules require you to actively re-enroll in the FSAs each year if you want to contribute pretax dollars.
- 04 **Save your receipts.** You may be required to submit them to HealthPartners to document your expenditures.
- 05 **Choose your contribution amount wisely.** Once you choose your FSA contribution amount, your election cannot be changed during the year without a qualifying life event.
- 06 **Enroll in direct deposit.** The fastest way to get your reimbursement is to enroll in direct deposit. Besides accessing your reimbursement faster, you'll also avoid a fee of \$5 per reimbursement check issued.

Health Care FSA

This account is for eligible health care expenses for you and your dependents. Eligible expenses include medical, dental, orthodontia, vision and hearing aid expenses not covered by another health benefit plan. You can contribute up to \$3,050 to your Health Care FSA in 2023.

Limited Use FSA

If you enroll in the Health Savings Medical Plan, you cannot have a regular Health Care FSA, but you can have a Limited Use FSA. With the Limited Use FSA, eligible expenses include dental, orthodontia and vision expenses – not medical or prescription drugs. You can contribute up to \$3,050 to your Limited Use FSA in 2023.

Dependent Care FSA

This account can be used to pay dependent care expenses for children under 13 or adult dependents who can't care for themselves. Qualified expenses include in-home child care, licensed day care, preschool facilities, before- or after-school programs, and elder care. You can contribute up to \$5,000 to your Dependent Care FSA in 2023. Note: If your spouse also participates in a dependent care FSA, the tax-free benefit is limited to \$5,000 for both of you combined. If you are married but filing taxes separately, the tax-free benefit is limited to \$2,500.

MANAGE YOUR FSA ON THE GO

Download the free HealthPartners myHP app from the iTunes Store or Google Play to:

- ▶ Check your account balances on the go.
- ▶ Snap and submit photos of your receipts and file claims.
- ▶ And more!

Your FSA Debit Card

When you enroll in the FSA, you will receive a debit card from HealthPartners, which you can use to pay for your eligible FSA expenses.

Some card transactions will be verified at the point of purchase and others will be verified later through an automatic process. However, if HealthPartners cannot determine whether a transaction was for an eligible health care product or service, you will need to submit a detailed receipt to verify your purchase.

You may also submit claims and requested documentation from the myHP mobile app. You can find more FSA resources at healthpartners.com/unitypointhealth. If you have questions or need assistance with your FSA account, call HealthPartners Member Services at (888) 735-9200.

How long do you have to use your debit card for plan year expenses?

You shouldn't use your debit card for expenses once the plan year has ended. For example, you shouldn't use the card in 2024 for 2023 expenses. If you still have 2023 expenses to submit in 2024, you'll need to do it in the app, online, by mail, or fax.

FSA Tips & Resources

Tips to help automatically approve your expenses:

- Pay your bill in full as soon as possible.
- Pay separately for each date of service.

Tips for submitting documentation:

- Save your documentation electronically so it's easy to attach to your reimbursement request. You can take a picture with your smartphone or scan it. Submit your reimbursement request using the myHP mobile app or your myHealthPartners account. You can also mail or fax a copy to HealthPartners at (877) 624-2287.
- Keep all receipts.
- If you don't have a HealthPartners medical plan, get a copy of your Explanation of Benefits (EOB).
- Read all letters and emails from HealthPartners. They let you know when documentation is needed.
- Send in documentation right away. Your card could be suspended if you wait too long. If documentation is requested and not received you may be taxed on the amount of the transaction.

Additional FSA resources can be found at healthpartners.com/unitypointhealth. If you have questions or need assistance with your FSA account, call HealthPartners Member Services at (888) 735-9200.

Life and Accidental Death & Dismemberment Insurance

Life insurance coverage helps protect your loved ones in the event of your death or serious injury. Even if you're single, your beneficiary can use your life insurance benefits to pay off your debts, such as credit cards, mortgages and other final expenses. Accidental Death & Dismemberment (AD&D) insurance pays a benefit if the covered person dies as a result of an accident. It will also pay all or part of the coverage amount if the covered person suffers a dismemberment injury or other covered loss due to an accident. You can purchase coverage for yourself, your spouse/domestic partner, and/or your dependent children.

Basic Life and AD&D Insurance

UnityPoint Health offers group term life and AD&D insurance automatically at no cost to you.

Covered Person	Coverage Amount	Premium
Full-time and part-time benefit eligible team members	1 times your base annual pay, up to \$100,000	No cost to you

Voluntary Life and AD&D Insurance

You may purchase additional life and AD&D insurance at favorable group rates. You pay for this coverage with after-tax dollars. Premiums for this coverage are shown in Lawson during your enrollment experience.

Covered Person	Coverage Amount	Premium
Employee	Increments of \$10,000 up to the lesser of: <ul style="list-style-type: none">• 8 times your annual base pay, or• \$500,000	Based on team member's age as of January 1, 2023
Spouse/domestic partner	Increments of \$10,000 up to \$100,000	Based on team member's age as of January 1, 2023
Children (up to age 26)	Flat amount of \$5,000 or \$10,000 per child	Flat rate no matter how many children are covered

Amount Limit Due to Age:

If you are age 70 and over, the life and AD&D insurance benefit amount you are eligible for is reduced. Team members aged 70-74 will have life and AD&D insurance value at 65% of the benefit, and those aged 75 and over will have a life and AD&D insurance value of 50% of the benefit.

What You Need to Know About Evidence of Insurability (EOI)

When it comes to voluntary life and AD&D insurance, you may be required to provide Evidence of Insurability, or EOI, to the insurance carrier as part of the application process. So, how does it work, and when will you have to submit it? Glad you asked!

- If you are newly benefit eligible and enrolling in life and AD&D insurance for the first time, you may purchase voluntary employee life and AD&D coverage in increments of \$10,000 up to the lesser of 8 times your annual base pay or \$500,000, without providing EOI.
- Each year after your initial enrollment period, you may increase your coverage by \$10,000 (not to exceed the lesser of 8 times your annual base pay or \$500,000) without providing EOI as long as you are currently enrolled in voluntary life and AD&D insurance.
- If you are newly benefit eligible and enrolling in life and AD&D insurance for the first time, you may purchase voluntary spouse/domestic partner life and AD&D coverage in increments of \$10,000 up to \$100,000, without providing EOI.
- Each year after your initial enrollment period, you may increase your spouse/domestic partner life and AD&D coverage by \$10,000 (not to exceed \$100,000) without providing EOI.
- If you are currently enrolled in voluntary life and AD&D insurance and you elect an amount greater than \$10,000 after your initial enrollment period, you will be required to submit EOI. If this is the case, you will receive an email with a link to an online questionnaire about you and/or your spouse/domestic partner's health. You must complete the questionnaire in order for your requested coverage increase to be considered.
- Based on the answers in your questionnaire, you may also need to get a basic physical exam.

Divide the amount in Line 1 by 1,000 and enter:	\$	(2)
Use the chart on the previous page to find the bi-weekly cost for employee's age and enter:	\$	(3)
Multiply the amount in Line 2 by the amount in Line 3 and enter:		
This is your bi-weekly cost for Voluntary Life and AD&D Insurance	\$	(4)

► **Note:** Your cost can change if your coverage amount changes, your age changes, or if the insurance rates change.

Critical Illness Insurance

Critical Illness Insurance through Voya pays a lump sum benefit if you are diagnosed with a covered illness or condition. You can use the benefit payment for any purpose you choose. You can purchase coverage for yourself, your spouse/domestic partner, and your children under age 26. If you leave UnityPoint Health, you can take this coverage with you. The following coverage amounts are available:

Covered Person	Coverage Amounts
Employee	\$10,000 \$20,000 \$30,000
Spouse/domestic partner	\$10,000
Children	\$5,000 per child

You must elect critical illness insurance for yourself in order to elect coverage for your spouse/domestic partner or child(ren).

Infectious Condition Additional Benefit Rider

If you are diagnosed with COVID-19*, this pays a benefit** of \$100. If you are hospitalized for COVID-19* and there is a room and board charge for that hospitalization, this pays a benefit** amount of \$1,000.

*COVID-19 diagnosis must be confirmed by a medical professional.

**A benefit is payable up to a maximum of 1 time per Covered Person per policy calendar year.

The plan also pays a wellness benefit of \$50 once per calendar year for each family member enrolled when an eligible health screening test is completed. For more information, review the [Wellness Benefit Claims Checklist & FAQ](#).

Hospital Indemnity Insurance

What is Hospital Indemnity Insurance?

Hospital Indemnity Insurance through Voya pays a daily benefit if you have a covered stay in a hospital, critical care unit or rehabilitation facility. The benefit amount is determined by the type of facility and the number of days you stay. Hospital Indemnity Insurance is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Short-Term Disability

The Short-Term Disability (STD) Plan provides income protection if you become disabled and cannot work due to a non-work-related illness or accidental injury.

UnityPoint Health automatically provides Short-Term Disability coverage – at no cost to you – for all eligible team members. Participation begins on the first of the month following your start date or benefit status change date.

The Short-Term Disability Plan begins to pay benefits after 7 days of continuous disability. Short-Term Disability benefits replace 60% of your regular weekly base pay, to a maximum of \$2,500 per week, for up to 26 weeks.

Long-Term Disability

If you become disabled for an extended period of time and cannot work, no benefit becomes more important to your financial security than disability income protection.

Basic Long-Term Disability

If you remain totally disabled and unable to work for more than 180 days, you may be eligible for Long-Term Disability (LTD) benefits through Prudential. UnityPoint Health automatically provides you LTD benefits that replace up to 50% of your monthly base pay, up to a maximum of \$10,000 per month.

Monthly LTD benefits will be reduced by Social Security and any other disability income you are eligible to receive, such as Workers' Compensation.

Buy-Up Long-Term Disability

You can purchase additional LTD coverage through Prudential that will increase your monthly benefit to 60% of your monthly pay. The cost of this additional coverage is available in Lawson during your enrollment.

ABSENCEONE

All approved Leaves of Absence (LOA), including intermittent FMLA and continuous LOA, including Short-Term Disability (STD), medical, personal, and military leave, are administered through AbsenceOne. Access the AbsenceOne online portal at **AbsenceOne.com/unitypointhealth**.

Legal Insurance & Identity Theft Protection

Whether you need assistance writing your will, disputing a traffic ticket, or protecting yourself against identity theft, Legal Insurance and Identity Theft protection from ARAG is here to help.

For only \$9.46 per pay period, you and your covered dependents will have access to a nationwide network of attorneys who will work with you to address and resolve life's legal, financial, and identity theft issues, such as:

- Consumer and fraud protection
- Civil damage claims (defense)
- Tax issues
- Wills and estate planning
- Criminal matters
- Traffic matters
- Real estate
- Government benefits
- Debt-related matters
- Family law
- Small claims court
- Landlord disputes

In the event that your identity is stolen, the ARAG Identity Theft Protection program provides full-service restoration including access to Certified Identity Theft Restoration Specialists and reimbursement for up to \$1 million for expenses associated with restoring your identity.

To see a full list of coverages available under this plan, visit **ARAGLegalCenter.com** (access code 18191uph) and click on Plan Details. For any legal matters not covered and not excluded under the plan (including immigration assistance), you are eligible to receive at least 25% off the Network Attorney's normal rate.

This service can track your credit activity or online identity and you are notified immediately of suspicious activity.

Diversity, Equity & Inclusion Coverage

ARAG is constantly evolving and adapting to meet the needs of all team members. Whether it's a team member with a disability, a veteran or a member of the LGBTQ+ community, their coverage provides solutions that include:

- Domestic Partnership Agreement
- HIPAA/Hospital Visitation Authorization
- Social Security/Veterans/Medicare Dispute
- Gender Identifier Change
- Funeral Directive
- School Administration Hearing

and, network attorney fees for most covered matters like these are paid 100% in full.

Malpractice Insurance

Your malpractice insurance is provided by UnityPoint Health at no cost to you. Please reference your Provider Employment Agreement for more information. Questions should be directed to your affiliate risk management/compliance department.

Pet Insurance

Now more than ever, pets are playing a significant role in our lives, and it's important to keep them safe and healthy. Help make sure your furry family members are protected against unplanned vet expenses for covered accidents or illnesses with MetLife Pet Insurance.

Like health insurance for you and your family, pet insurance is coverage for dogs and cats that can help you be prepared for unexpected vet costs. With MetLife Pet Insurance, you may be able to cover up to 100% of the veterinary care expenses from any licensed veterinarian, specialist, or emergency clinic across the U.S.

What are the coverage options?

Coverage is flexible and customizable so that you can choose the plan that works for you.

Options include:

- Levels of coverage from \$500 - unlimited
- \$0 - \$2,500 deductible options
- Reimbursement percentages from 50% - 100%

How much does Pet Insurance cost?

Each pet's premium will be unique based on the age, breed, location, as well as what coverage amount you select. Plus, if you go claim-free in a policy year, MetLife will automatically decrease your deductible by at least \$25.

How do you pay for the insurance?

You can set up an automatic payment from your bank or credit card with MetLife.

Retirement Savings and Financial Wellness

We are proud to invest in your financial health and future by continuing to provide a core contribution to you that is equal to 2% of your pay and also matching 50% for each dollar you contribute to your 401(k), up to the first 6%. So, in order to maximize your employer match, you would want to contribute 6% of your paycheck so you can receive the full 3% match from UnityPoint Health. While there isn't any action required on your behalf for your enrollment, we do encourage you to log into the Fidelity portal (netbenefits.com/unitypoint).

From there you can do things like:

- Determine how much you should be saving
- Get a snapshot of your retirement by answering a few questions
- Change your contributions
- Change your investments
- Update your beneficiaries
- Get help with your finances by talking to a retirement planner

Check out the **Financial Wellness Portal** for an interactive experience that brings together resources and tools you need to plan your financial wellness strategy.

You are eligible to participate in the retirement savings plan once you have reached age 19.

To speak with a Fidelity representative who can answer your questions or to schedule a one-on-one consultation, you can call (800) 343-0860.

MY WELL-BEING

Programs, activities and resources designed to enhance physical, financial and emotional well-being

Paid Time Off (PTO)

The chart below will help provide you with details on our system-wide PTO plan. The purpose of PTO is to give team members flexibility in scheduling time away from work. PTO combines vacation, individual or family related sick days, holidays, and personal days you might need during the year.

UnityPoint Health PTO Accrual Chart

Years of Service Completed	PTO Accrued per Hour*	Maximum Annual Accrual* (Based on 2080 hours annually)	Maximum Carryover
0-4	0.0923	192 hours / 24 days	320
5-9	0.1115	232 hours / 29 days	320
10-14	0.1231	256 hours / 32 days	320
15-19	0.1346	280 hours / 35 days	320
20+	0.1385	288 hours / 36 days	320

**To calculate your PTO accrual per pay period, multiply the "PTO Accrued per Hour" number above by the number of hours you are paid per pay period (not to exceed 80 hours per pay period or 2080 hours annually). For example, if you are a team member who has 16 years of service and are a .75 FTE or work 60 hours per pay period, your calculation to project your PTO accrual in the future would be as follows: $.1346 \times 60 = 8.07$ accrued hours in a pay period.*

PTO Cash

Benefit eligible team members** are eligible to cash out up to 40 hours of PTO, in 5-hour increments, annually.

Please review the chart below for further details and contact AskHR if you have questions.

Component	PTO Cash Guidelines
Eligibility**	Active, benefit eligible team members who are budgeted to work 32 hours or more per pay period (0.4 FTE or more). Executives and Physicians are not eligible for PTO Cash.
Election Period***	During Open Enrollment
Payout Dates	Announced during the annual open enrollment period
Maximum Hours to Declare	40 hours
Required Remaining Balance*	There is no requirement to have any remaining balance in your PTO account after the cash out occurs.

**While there is no required remaining balance, if you elect to cash out more hours than you have in your bank at the time of the payout dates, you will not receive the full elected cash-out amount. Instead, your payout will be reduced to the number hours in your bank at the time of the payout.*

***In order to receive a PTO Cash election, you must be an active, benefit eligible team member at the time of the payout. Executives and Physicians are not eligible for PTO Cash.*

****PTO cash elections can only be made within the election period. You will not be able to make changes, including cancellation, to your PTO cash election(s) outside of the election period.*

Paid Parental Leave Policy

We know it is important for you to take time to care for your newborn or adopted child. Any full-time benefit eligible team member (0.8 FTE or more) who has at least six months of employment with UnityPoint Health will have the ability to:

01

Receive 40 hours of additional Paid Time Off (PTO)

02

Utilize a position-guaranteed leave

About Your Benefit

When you request a parental leave following the birth or adoption of a child, UnityPoint Health will provide 40 hours of additional Paid Time Off (PTO). The additional days will be added to your PTO bank and can be used through your regular time off request process at your affiliate.

UnityPoint Health will also extend a position-guaranteed leave for two additional weeks. Depending on your affiliate location and employment, this extension will take place upon the exhaustion of Family Medical Leave Act (FMLA), Wisconsin Family and Medical Leave Law (WFMLL), Iowa Pregnancy Leave Law (IPLL), and/or Short-Term Disability. These additional two weeks must be taken consecutively.

To speak with an AbsenceOne representative who can answer your questions or to request a Parental Leave, please contact AbsenceOne by visiting absenceone.com/unitypoint or calling (877) 467-2671.

Adoption Assistance

UnityPoint Health will grant up to \$6,000 in reimbursement, per child, for expenses related to the process of the legal adoption of a child to full-time and part-time benefit eligible team members who have completed at least 90 days of employment. For reimbursement, benefit eligible team members must complete the Application for Assistance and provide a copy of finalized adoption paperwork along with copies of appropriate bills, invoices, receipts, or other statements that verify the amount of adoption assistance being requested. This is done by submitting a case in Lawson to AskHR. If both parents work for UnityPoint Health, the total amount of reimbursement per legal adoption of a child is up to \$6,000 per child.

Care@Work

By partnering with **Care.com**, we are able to bring a portfolio of family care benefits to our benefit eligible team members at every stage of life. UnityPoint Health will pay for the membership costs for **Care.com** on your behalf. The only cost you will be responsible for is the provider charges.

Care.com Membership

With a **Care.com** membership, you will receive unlimited access to the largest online community for family care. You can find assistance with a multitude of needs in one convenient location, accessible anywhere. You can find child care, help for aging parents, pet care, housekeeping and more all at **Care.com**.

Backup Care for Children

Backup care allows eligible team members to get last-minute assistance for child care when schools are closed, nannies or daycare providers are sick, last-minute business trips or any other issues that arise. Team members can be confident that all **Care.com** resources are properly vetted, and each recommendation has passed a multitude of background checks to ensure your children are in the best hands possible, in every situation. The options for backup childcare are reputable in-home or in-center care that can be arranged for them should any issues arise.

Backup Care for Adults

Backup care for adults is in-home care for your family members – even in other cities. Every family is different, and every family member has varying needs. **Care.com** has specialists that find vetted adult care for help with rides to doctor appointments, meal prep, household maintenance and more. They are here to help family members live better day-to-day when our team members can't be there.

Pet Backup Care

Our Backup Care program provides care for pets when team members regular pet care is not available. Pet Backup Care is available with our Personal Network. Team members can use a pet care provider of their choice and submit a claim to be reimbursed up to a set daily limit after care has occurred.

Personal Network reimbursement

Team members also have the freedom to use Personal Network backup care that allows them to get reimbursed for care delivered outside of the Care network. With Personal Network, team members can use one of their go-to caregivers, centers, pet sitters, or camps and get reimbursed for the cost of care, less their co-pay (\$5/hr in-home, \$10/child/day in-center), up to a daily limit of \$125 per day.

Ready to get started with **Care@Work**? Head to **unitypoint.care.com** to complete a simple registration process.

OnPoint for Health: Wellness Credit and Wellness Rewards

2024 Wellness Credit

Team members and their spouses or domestic partners who are enrolled in the health plan will have two opportunities to earn rewards – A wellness credit and a wellness reward.

Please note: New hires as of October 1, 2023 and on will be grandfathered into the 2024 Wellness Credit.

01

Complete an **annual physical** with your primary care provider (PCP) between December 1, 2022 - November 30, 2023.

02

Log into the OnPoint for Health portal between October 1, 2023 - December 29, 2023 to complete the online Health Risk Assessment (HRA).

DID YOU KNOW?

Both UnityPoint Health medical plans completely cover the cost of your annual physical with your PCP.

2024 Wellness Rewards

Benefit-eligible team members (even if they are not enrolled in a UnityPoint Health medical plan) and their spouse/domestic partner (who must be enrolled in a UnityPoint Health medical plan) can earn points by completing challenges that will be available after January 1, 2024 in order to earn financial rewards.

Achieve 1,500 points

earn a \$100 reward paid out on your paycheck

Achieve 3,000 points

earn a \$150 reward paid out on your paycheck

*Eligibility for these rewards will be reviewed on a monthly basis between February and December 2024. The financial reward will be paid out by the 2nd paycheck of the following month in which the point total is achieved.

Please note: All wellness rewards are subject to tax and you must be in an active, benefit-eligible status at the time the reward is paid out in order to receive it.

MY GROWTH & DEVELOPMENT

Learning, career opportunities and other experiences that support professional and personal growth

Continuing Education

Please reference your Provider Employment Agreement and the Provider CME Funds and CME Time Off policy for more information on this benefit.

Education Assistance

UnityPoint Health has partnered with Fiducius to help benefit eligible team members with their student loan and educational needs. If you have student loans, the Loan Relief benefit is for you. If you are seeking additional education to advance your career, then the Tuition Support benefit is for you. For both benefits, enrollment starts with the Student Loan Financial Planning service. Several factors, including education plans, income, household size, student loan balance, etc., help determine which benefit delivers the greatest financial wellness for your specific situation. This service is delivered through an online platform and interaction with expert financial Advisors. Learn more below.

Loan Relief Benefit - Team Members & Family Members with Existing Student Loans

- Based on your specific situation, Fiducius will determine which, if any, of the following loan restructuring solutions is best for you:

Forgive	ReFi	SimpliFi
Reduce monthly payments and receive loan forgiveness through a federal program (PSLF).	Refinance through a private lender to lower interest rate and/or improved terms.	Consolidate loans and lower payments, while maintaining Dept. of Education benefits.

- You will be fully educated on your option(s) and receive a detailed Student Loan Financial Wellness Plan. This personalized plan will outline your anticipated savings and how they support your short and long-term financial goals, e.g., buying a home.
- The plan is provided at no cost to you since UPH provides this service. As a voluntary benefit, you then decide whether to implement the plan on your own or to hire Fiducius to manage the implementation. It's your choice and there is absolutely no obligation! Either way, you can be confident you're tackling your student loans in the best way possible with your plan.
- It's easy to get started. Check your work inbox for emails from Fiducius about the Loan Relief benefit. Use the provided links to go to the "Create Account" page to complete setup of your account and answer some basic questions, which typically takes 5-6 minutes. If you can't find the emails or have trouble logging in, email Fiducius at LoginAssistance@GetFiducius.com, put "UPH" in the subject line, and provide a brief description of the problem. Your Support Services team at Fiducius will be glad to help you resolve the issue.

Tuition Support - Team Members Seeking Additional Education

- This benefit is an investment in your higher education and development. Those seeking additional degrees or certificates may qualify for Tuition Support. Through the Student Loan Financial Planning process, Fiducius will direct you towards standard Tuition Support or the enhanced Back-to-School Forgive solution, based on your unique situation.

Who is eligible for Tuition Support?

Part-time and full-time benefit eligible team members who have been employed with UnityPoint Health for at least six months. Team members must be in good standing and have not had a formal performance corrective action plan within the previous 12 months.

- Team members who are benefit eligible will be granted the following tuition support allowances. This is dependent on available tuition support budget for the fiscal year.

Support Amounts

	Classification	Maximum Amounts
All Other Colleges	Part Time (32-63)	\$1,500
	Full Time (64-80)	\$3,000
UnityPoint Health College	Part Time (32-63)	\$2,625
	Full Time (64-80)	\$5,250

Terms of Tuition Support

- Team members must obtain a “C” or better for Undergraduate degree programs to be eligible to receive support.
- Team members must obtain a “B” or better for Graduate degree programs to be eligible to receive support.
- The program will offer support for expenses relative to books, fees and tuition less any grants/scholarships.
- Tuition support benefits do not include payments for the following items:
 - Meals, lodging, or transportation
 - Tools or supplies (other than textbooks) that you can keep after completing the course of instruction.
 - Courses involving sports, games, or hobbies unless they:
 - Have a reasonable relationship to the business of UnityPoint Health; or
 - Are required as part of an approved degree program.
 - **Support will only be made upon completion of a course following submission of your grade and proof of payment.**
- Receipt of Tuition Support is not a promise of a position upon completion of an academic degree program and does not forgive the repayment of funds as set forth in this policy if no offer of employment is presented.
- Benefits provided under this policy are intended to comply with the requirement of Internal Revenue Code Section 127 and will be treated as nontaxable to the maximum extent allowed thereunder. In addition, other provisions of the Internal Revenue Code may apply and/or another UnityPoint Health policy, program, or practice to exclude benefits from a team member’s taxable income. As a result, UnityPoint Health will not include said benefits with wages, tips and other compensation shown on team member’s Form W-2, box 1, unless otherwise required by law. This also means team members are not required to include the benefits on personal income tax returns.

Repayment

Repayment is required when a team member fails to remain in a benefit eligible employment status within any UnityPoint Health employer for more than 12 months after the ending date of the course.

This booklet highlights the main features of the benefit plans sponsored by UnityPoint Health. Full details of these benefits are contained in the legal documents governing the plans. If there is any discrepancy or conflict between the plan documents and the information presented here, the plan documents will govern. In all cases, the plan documents are the exclusive source for determining rights and benefits under the plans. UnityPoint Health reserves the right to change or discontinue the plans at any time with appropriate notification. Participation in the plans does not constitute an employment contract. UnityPoint Health reserves the right to modify, amend, or terminate any benefit plan or practice described in this booklet. Nothing in this booklet guarantees that any new plan provisions will continue in effect for any period. Plan documents are available at the HR landing page on the Hub or by contacting AskHR at (888) 543-2275.

HIPAA Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after marriage. You must request enrollment within 60 days of birth, adoption, placement for adoption, loss of eligibility for Medicaid or Children's Health Insurance Program (CHIP) or becomes eligible for subsidy (state premium assistance program). To request special enrollment or obtain more information, contact UnityPoint Health's AskHR department by calling 1-888-543-2275.

Premium Assistance Under Medicaid And The Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed in the **CHIP notice**, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1(877) KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1(866) 444-EBSA(3272).

If you live in one of the states listed in the **CHIP notice**, you may be eligible for assistance paying your employer health plan premiums. Contact your state using the **contact information provided here** for more information on eligibility.

Women's Health And Cancer Rights Act Of 1998 (WHCRA)

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call HealthPartners Member Services at (888) 735-9200 for more information.

No Surprise Act Notice

Federal law requires health insurance issuers offering group health insurance coverage to make available a notice to team members informing them of federal restrictions on balance billing and the requirements under Code 9816, ERISA section 716, and PHS Act second 2799A-1. The **No Surprise Act Notice** also lets you know how you may contact appropriate state or federal agencies if a provider or facility has violated the restrictions against balance billing.

Marketplace Notice

The Patient Protection and Affordable Care Act (ACA) requires employers to provide team members with a written notice informing them of the existence of the Marketplace, including a description of the services provided by the Marketplace. The **Marketplace Notice** also lets you know how you may contact the Marketplace to request assistance.

Illinois Consumer Coverage Disclosure

For team members residing in Illinois, the Consumer Coverage Disclosure Act (CCDA) requires employers to disclose a written list of benefits offered compared to the list of essential health benefits issued by the State of Illinois. The **Illinois Consumer Coverage Disclosure** lets you compare the benefits offered by UnityPoint Health with the state's 'Benchmark Plan' posted on the Illinois Department of Labor website.

Notice of Privacy Practices

The HIPAA Privacy Rule requires groups offering certain health benefit plans to develop and distribute a Notice of Privacy Practices (NPPs). The **Notice of Privacy Practices** must describe how the covered entity may and may not use protected health information (PHI) and what your rights and obligations with respect to protected health information (PHI) are.

Voluntary Benefit Notice

UnityPoint Health does not sponsor, endorse or administer these voluntary programs or benefits and these voluntary programs or benefits do not constitute an "employee benefit plan" under the Employee Retirement Income Security Act of 1974 (ERISA), as amended.
