

How to Access Care

REMOTE TEAM MEMBERS

The UnityPoint Health network is made up of the UnityPoint Health care system and other selected provider, facility, and pharmacy partners. For team members residing outside the UnityPoint Health service area, in-network providers are accessible utilizing the CIGNA wrap network.

Services received from out-of-network providers are not covered benefits, except for emergency care and chiropractic care.

Finding a provider

Search for providers by signing into your online account

Network providers are available by logging on to your account at healthpartnersunitypointthehealth.com/uph.

If you have not yet established an account

- › Click “**sign in**” in the top right corner.
- › Click “**Create an account.**”
- › Enter information.

Once logged in you will be able to search based on your home residence’s zip code. To find a physician or medical practitioner:

- › Click “**Find care.**”
- › Click “**Doctors & medical practitioners.**”
- › Search by last name, specialty, or zip code.
- › For best results click on ‘locations within’ and narrow your search to 20 miles, 10 miles, or even 5 miles.
