hello.

UnityPoint Health is proud to offer you a comprehensive **TOTAL REWARDS PROGRAM**.

Total Rewards is the value provided to our team members and their families throughout their career at UnityPoint Health by combining Compensation, Benefits, Personal Growth and Development, Recognition, Well-Being, and Purpose into one, simple program.

UnityPoint Health is committed to providing benefits that support our team members from various backgrounds, experiences, and identities. We offer benefits aimed to meet the needs of all of our team members and their families.

How to Use this Guide

We know there is a lot of information in this guide, and you may be feeling a little overwhelmed. We put together a few tips for how to get the most out of this guide as you prepare to select your benefits.

› Use the Table of Contents

Click on the title of the benefit you want to learn more about for quick navigation around the guide.

› Know Where to Get the Most Up to Date Information

Please remember that these enrollment guides are sometimes updated throughout the year. For the most up to date information, head to unitypoint.org/totalrewards.

› AskHR is Here to Help!

If you have questions about anything in the enrollment guide, reach out to AskHR by creating a case in Lawson or by calling (888) 543-2275.

Enrollment and Eligibility

Eligible team members have 30 days from their start date to enroll in benefits using the Lawson portal. Benefits coverage begins the first day of the month following your start date. You can find a link to Lawson and instructions for how to enroll on the [HR Landing Page](#).

Who is Eligible You are eligible to enroll in UnityPoint Health benefits if you are in a benefits-eligible status. You are eligible for benefit coverage if you are:

- ✓ **FULL-TIME** team member who is regularly scheduled to work 64 hours or more per pay period. (0.8 - 1.0 FTE)
- ✓ **PART-TIME** team member who is regularly scheduled to work 32-63 hours or more per pay period. (0.4 - 0.79 FTE)

Dependents In most cases, you can also cover your eligible dependents. If adding a spouse/ domestic partner or dependent child, UnityPoint Health highly encourages adding their social security number (identification number) into their dependent profile.

Dependent Verification You may be asked to verify your dependent's eligibility by providing documentation. If asked to do so, you must submit all documents within 30 days of request or risk having your dependents removed from the elected benefit.

Eligible dependents include:

- › Spouse/partner (spouse, civil union partner, domestic partner*, common law spouse)
- › Your children under age 26.
- › Unmarried children of any age who are unable to support themselves because of a physical or mental disability.**

Working Spouse Surcharge Team members that choose to enroll a working spouse or domestic partner who is eligible for health insurance coverage through their employer will pay a \$75 working spouse surcharge. The \$75 surcharge only applies to medical coverage and will be added to your per pay period medical premium.

*When enrolling a domestic partner, you will be required to verify and acknowledge that they are eligible for the plans you have selected. After you complete your enrollment our HR Shared Services team will reach out within a few business days to advise on the next steps towards verifying your domestic partner.

**Applies if not covered by other government programs and meets the eligibility requirements as defined by each benefit plan.

Domestic Partner Imputed Income

If you choose to add your domestic partner to your medical and/or dental coverage, you will be responsible for imputed income tax on the difference in the employer premium for the additional coverage.

Status and Benefit Changes

You can change your coverage during the year if you have a qualifying life event. The changes you may make depend on the type of qualifying event that occurs.

If you experience a qualifying life event and wish to make changes to your benefits, you must declare a life event through Lawson within 30 days from the date of the event (60 days for the birth of a child, adoption, or adoption placement).

Team members are allowed to make changes mid-year between plan options under health insurance or dental insurance. For example you may change from the Network Plan to the Health Savings Plan (HSA) or vice versa. Note: Deductible and maximum out of pocket accumulators will transfer between plan options, team members will be responsible for any excess health saving account contributions and team members are not able to change flexible spending account annual election amounts.

Qualifying Life Events

- › Marriage, divorce, or legal separation
- › Birth or addition of an eligible child
- › Loss of other coverage
- › New eligibility for other coverage
- › Qualified medical child support order
- › Status changes
- › Commencement or return from an unpaid leave of absence

STATUS CHANGES

Current team members who are newly benefit eligible have 30 days from their status change date to enroll in benefits. If moving from a full-time to part-time position or vice versa you have 30 days from status change date to request a change to your health insurance through AskHR.

LIFE EVENT GUIDE

For additional information check out the [Qualified Life Event Guide](#)

Transferring Employment Within UPH Affiliates

If you transfer employment to another UnityPoint Health affiliate, your benefits will continue unchanged if you continue to meet eligibility requirements. You cannot make changes to your benefit elections if you transfer employment as this is not a qualifying event for making changes during the year.

Dependent Eligibility

Eligibility for your dependent begins or ends with:

- › Change in residence or place of work resulting in change in health insurance availability
- › Death of spouse/domestic partner or child

My Benefits

Health, dental, and vision insurance, life and disability insurance, and programs to help save for the future, such as 401(k) and Health Savings Account (HSA)

Health Insurance

Key Health Care Terms

We've compiled this list of health care terms to help you navigate this section of the enrollment guide:

- › **Deductible:** Dollar amount you must pay for covered care each calendar year before the medical plan pays benefits for services. The deductible doesn't apply to every service so be sure to check out the summary schedule of benefits. Under the Network plan, the family must collectively satisfy the family deductible. Additionally, each family member has an individual deductible in addition to the overall family deductible. Meaning if an individual in the family reaches his or her deductible before the family deductible is reached, his or her services will be paid by the insurance company. Under the Health Savings plan (HSA), the family deductible must be reached, either by an individual or by the family, before services will be paid by the insurance company. There is no individual deductible under the HSA plan.
- › **Coinsurance:** Percentage of the cost for eligible medical expenses that you pay after you meet the deductible. For example, under the Health Savings Plan, after you meet the deductible, the plan will pay 80% of covered costs and you pay the remaining 20% up to the plan's out-of-pocket maximum limit. The 20% is your coinsurance.
- › **Copayment (or copay):** A fixed amount that you must pay for a service. Copays can vary depending on the service you receive.
- › **Network Providers:** Providers who have agreed to lower rates for services. The UnityPoint Health medical plans provide benefits for covered services provided by network providers.
- › **Out-of-Pocket Maximum (OOPM):** Maximum dollar amount that you pay for eligible expenses in a calendar year. The plan pays 100% of

eligible expenses for the rest of the calendar year after the out-of-pocket maximum is reached - providing financial protection for you by limiting your out-of-pocket expenses in a given calendar year. The out-of-pocket limit is a combined amount for both medical and prescription coverage under each medical plan.

Which Medical Plan is the Best Choice for Me?

You will have the choice to waive medical coverage or select coverage from one of two HealthPartners medical plans. Both medical plans:

- › Cover the same basic medical services
- › Cover the same network of doctors, hospitals and health care specialists who deliver quality care according to network standards and have agreed to lower, preferred rates for covered services.

However, depending on the plan selected, your share of the cost of the medical services you receive differs.

✓ NETWORK PLAN

- › Higher biweekly premium cost for coverage
- › Cost of care (deductible amounts and out-of-pocket limit) lower than the Health Savings Plan

✓ HEALTH SAVINGS PLAN (HSA)

- › Pay less in biweekly premium cost for coverage
- › Cost of care (deductible amounts and out-of-pocket limit) will be higher than the Network Plan
- › UnityPoint Health contributes to your Health Savings Account to help offset out-of-pocket costs

Preventive Care Benefits

Working in health care, we know how adopting a healthy lifestyle can help us stay well and live better. Therefore, it is important that you periodically receive physical exams and health screenings that help you identify health risks early to avoid developing more serious problems down the road.

The following preventive services are covered at 100%, with no deductible, whether you enroll in the Health Savings Plan or the Network Plan as long as you see a network provider:

- › Routine health exams and periodic health assessments
- › Well-child visits
- › Routine screening procedures for cancer
- › Routine hearing exams
- › Adult immunizations
- › Obesity screenings and management
- › Women's preventive health services including all FDA approved contraceptive methods as prescribed by a physician

Walk-In & Virtual Care

Our insurance plans cover walk-in and virtual care if you are unable to see your primary care provider or it is outside of clinics operating hours.

Walk- In Care: Our Urgent Care, Express or Express Care locations treat minor medical problems and injuries that are not life-threatening, such as coughs, small injuries, ear infections, fevers, non-severe burns or sprains, yeast infections, urinary tract infections, etc. You can save time by reserving your spot online. Click [here](#) to search for a walk-in care clinic near you.

Virtual Care in MyUnityPoint: See a provider through video with Virtual Urgent Care for minor medical problems that are not life-threatening. Virtual care can be used to treat cold and flu, rashes, sore throat, headaches, sinus infections, allergies and more. Please note: some conditions and certain age groups can't be treated through virtual care. Team members must be in Iowa, Illinois, Nebraska or South Dakota to use this service. For more information visit unitypoint.org/virtualcare.

*Funds can be carried over year-to-year if you don't use them for medical or pharmacy expenses like meeting deductibles and out-of-pocket limits for the team member, spouse, or tax dependent. The spouse and tax dependent don't have to be covered under a UnityPoint Health Medical Plan to be able to use HSA funds. Refer to the Health Savings Account section to learn more.

**UnityPoint Health advances the employer contribution to your account when you enroll in the Health Savings Plan which allows you to have access to those funds immediately. This amount is prorated based on your benefit eligibility date and number of months remaining in the year.

***Premium amounts shown above do not include the working spouse surcharge. For more information, please refer to the Enrollment and Eligibility section.

The percentages in the following table are the percentages you pay. For example, if you see “20%” that means the plan pays 80% and the remaining 20% is your responsibility. If you see “100% covered” that means there is no member responsibility for that type of care or service. Anytime you see “after deductible is met,” that means the annual medical deductible for the plan must be met before the plan will pay. Please keep in mind that these do not reflect any services not covered by the plan or benefit reductions caused by not complying with preauthorization.

Effective July 1, 2025, weight loss GLP-1 drugs will be subject to weight loss management requirements and the plan may dictate where the drug can be purchased.

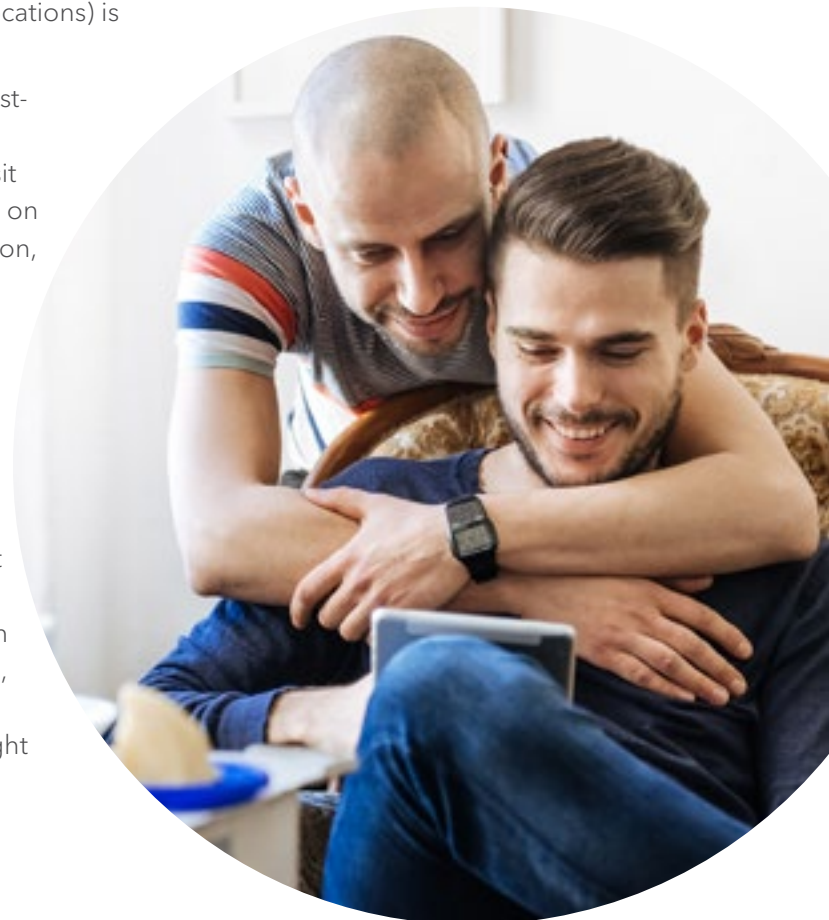

About Your Medical Plan's Prescription Drug Coverage

If you take any medications regularly, prescription drug costs can add up to a significant part of your overall health care expenses. Knowing how your medical plan's prescription drug coverage works and what to do to manage costs can help you make smarter purchases and lower your out-of-pocket costs.

Here are a few items that are important to note:

- › Under the Network Plan, lower Tier 1 copays for generic or brand drug fills (\$10 copay for formulary generic drugs and \$40 copay for formulary brand drugs) will apply when having prescriptions filled at a UnityPoint Health or Hy-Vee pharmacy. In addition, Tier 1 copays will apply to any retail pharmacy located outside a 15 mile radius of a UnityPoint Health or Hy-Vee pharmacy.
- › Please note, to further support our rural communities and those with limited access to a UnityPoint Health or Hy-Vee pharmacy, the lower Tier 1 copays explained above will apply to a few additional pharmacies. For a full list, please click [here](#).
- › Under the Network Plan, higher Tier 2 copays for generic or brand drug fills (\$20 copay for formulary generic drugs and \$50 copay for formulary brand drugs) will apply when having prescriptions filled at any retail pharmacy located within a 15 mile radius of a UnityPoint Health or Hy-Vee pharmacy.
- › Both medical plans only provide coverage for formulary drugs. The formulary is compiled by a group of doctors and pharmacists. Medications are reviewed and approved for the formulary based on medical effectiveness and cost, which helps keep costs affordable for you. If you'd like to check to see if your prescriptions are on the formulary list, head to healthpartnersunitypointhealth.com/uph and click "Check Prescriptions."
- › Coverage at CVS pharmacies (including Target locations) is not provided.
- › The Rx shopping tool is an online prescription cost-saving tool. It helps you find the lowest cost for medicines, based on your current health plan. Visit healthpartnersunitypointhealth.com/uph and log on to your myHealthPartners account. Once logged on, you'll be able to use the Rx shopping tool.
- › A UnityPoint Health [Medication Therapy Management \(MTM\)](#) pharmacist can help you focus on your medicines to make sure they are a good fit for you and your health conditions. Your personal pharmacist will work with you and your care team to check that your medicines, doses, and schedules meet your needs. Your pharmacist will also make sure that your drugs work well together and aren't causing side effects. Visits can often be provided by phone or video conference, making them easier to fit into your schedule. Working with a pharmacist on a regular basis might also save you money on your medicine copays.

Health Savings Account (HSA)

What are the benefits of establishing a Health Savings Account (HSA)?

There are many benefits of establishing an HSA. Some of the top benefits include:

- › Contributions reduce taxable income, funds grow tax-free and distributions for qualified expenses are not taxed.
- › UnityPoint Health makes a contribution to your health savings account.
- › The balance can roll over from year to year. Unlike a flexible spending account (FSA), the HSA is not a “use it or lose it” account.
- › You can change or update contributions throughout the year.
- › HSA funds belong to you even if you leave UnityPoint Health, change medical plans, or retire.

Receive and Make Contributions to Your HSA

- › You will need to open an account with Fidelity (instructions below.) This will allow your payroll contributions and the UnityPoint Health contribution to be deposited at Fidelity.
- › In order to make pre-tax contributions to your HSA, you will need to elect those contributions within the Fidelity website. This will be the only method of making and changing your contributions throughout the year.

Opening an account with Fidelity

When you're ready, opening and managing your HSA with Fidelity is fast and easy. You'll get information on investment choices, payment options, and ongoing support to help you build and manage your savings. For convenience, you can open a Fidelity HSA online.

Here's how it works:

- › Log into NetBenefits® at [NetBenefits.com](https://www.netbenefits.com)
- › From the home page, click “Open” next to Health Savings Account.
- › If you do not have access to NetBenefits, contact a Fidelity Representative at 1-800-544-3716.

HSA Account Transfer Process

To transfer an HSA account from another provider, team members must first set up their Fidelity HSA:

- 1 Log in to [NetBenefits.com](https://www.netbenefits.com).
- 2 Click the “Open” link next to “Health Savings Account.”

Follow the online instructions. Establishing a Fidelity HSA is not automatic.

- › After the Fidelity HSA is open, team members may transfer savings from other HSA providers.
- › Fidelity can coordinate the transfer for team members and does not charge a fee for this transaction.
- › This transfer is not considered a taxable event and will not be reported to the IRS.
- › The assets being transferred are not applied toward the team member’s HSA maximum annual contributions limit. To transfer other HSA assets team members can click [here](#).

2025 Annual HSA Contribution Limits*

Individual health care coverage	\$4,300**
Family health care coverage	\$8,550**
Additional catch-up contribution (if age 55 or older)	\$1,000**

*Please remember to not exceed the annual IRS HSA contribution limit, which is the total of your personal contribution plus UnityPoint Health contribution.

**The maximum amount you may contribute to your HSA, assuming you enroll at the start of 2025. These amounts include UnityPoint Health contributions. If you enroll into an HSA after the first of the year, this amount will change based on the monthly prorated UnityPoint Health contribution.

Dental Insurance

Which Dental Plan is the best choice for Me?

We offer dental coverage through Delta Dental with a choice of two plans: **BASIC** and **PREMIER**. Both dental plans provide coverage for preventive and basic care services.

✓ **BASIC PLAN:**

- › Lower premiums
- › Doesn't cover orthodontia or major services

✓ **PREMIER PLAN:**

- › Covers orthodontia if under 19
- › Covers major services

The Enhanced Benefits Program (EBP) is available under both plans. The EBP offers additional oral health services to Eligible Covered Persons with qualifying dental or medical conditions. Qualifying participants may be eligible for additional cleanings and topical fluoride application.

Coverage and Costs

Delta Dental contracts with dentists and other dental care providers in all of the communities where UnityPoint Health affiliates are located.

You can review the coverage levels and premium information for each dental plan on the next page to help you determine which plan is best for you. The percentages in the table are the percentages you pay.

SAVE MONEY ON THE BASIC PLAN

If you and your eligible dependents don't have orthodontia (under age 19) or major dental service needs, the Basic Plan offers you a way to save money while still getting coverage for your diagnostic, preventive and routine restorative services.

DELTA DENTAL PPO NETWORK

When you see a dental provider who is in the Delta Dental PPO network, you will commonly pay less than when you see a dental provider who is in the Delta Dental Premier network or an out-of-network provider.

*The Individual Annual Maximum is the maximum benefit each covered person is eligible to receive for certain covered services in a calendar year.

**The Lifetime Maximum is the maximum benefit each covered person is eligible to receive for orthodontics in a lifetime.

***You will commonly pay less when seeing a Participating Delta Dental Dentist. For more information, please see the Dental SPD located on the HR Landing Page.

Vision Insurance

Under the vision plan, you may purchase your eyeglasses and contacts at the eye care provider of your choice. When you use an Avesis network provider, you receive the highest level of plan benefits and have the lowest out-of-pocket costs.

For routine eye exams, you can see any Optometry provider; in or out-of-network. However, for non-routine eye care, you'll need to visit an in-network provider.

Flexible Spending Accounts (FSA)

Flexible Spending Accounts (FSAs) give you the opportunity to lower your taxes by paying for eligible health care and dependent care expenses on a pretax basis. You choose whether to participate in one or both of the accounts during each year. The FSAs are funded entirely with your contributions, which are made with pretax dollars from your paycheck.

Eligible Expense Reimbursement: 2025 FSA Plan Funds

For your 2025 plan year, you will be able to submit an eligible expense with a date of service between **January 1, 2025 and December 31, 2025** and be reimbursed with your 2025 plan year funds.

All eligible claims must be submitted by **March 31, 2026**.

As you choose to participate, there are a few things to keep in mind:

UNDERSTAND THE “USE-IT-OR-LOSE-IT” RULE.

Unspent money left in your FSA accounts is forfeited after the end of the year.

EACH ACCOUNT IS SEPARATE.

You cannot transfer money between the health care and dependent care accounts.

NO AUTOMATIC RENEWAL

IRS rules require you to actively re-enroll in the FSAs each year if you want to contribute pretax dollars.

SAVE YOUR RECEIPTS.

You may be required to submit them to HealthPartners to document your expenditures.

CHOOSE YOUR CONTRIBUTION AMOUNT WISELY.

Once you choose your FSA contribution amount, your election cannot be changed during the year without a qualifying life event.

ENROLL IN DIRECT DEPOSIT.

The fastest way to get your reimbursement is to enroll in direct deposit. Besides accessing your reimbursement faster, you'll also avoid a fee of \$5 per reimbursement check issued.

Health Care FSA

- › This account is for eligible health care expenses for you and your dependents.
- › Eligible expenses include medical, dental, orthodontia, vision and hearing aid expenses not covered by another health benefit plan.
- › You can contribute up to \$3,200 to your Health Care FSA in 2025.

Limited Use FSA

- › If you enroll in the Health Savings Plan, you cannot have a regular Health Care FSA, but you can have a Limited Use FSA.
- › With the Limited Use FSA, eligible expenses include dental, orthodontia and vision expenses – not medical or prescription drugs.
- › You can contribute up to \$3,200 to your Limited Use FSA in 2025.

Dependent Care FSA

- › This account can be used to pay dependent care expenses for children under 13 or adult dependents who can't care for themselves.
- › Qualified expenses include in-home child care, licensed day care, preschool facilities, before- or after-school programs, and elder care.
- › You can contribute up to \$5,000 to your Dependent Care FSA in 2025. Note: If your spouse also participates in a dependent care FSA, the tax-free benefit is limited to \$5,000 for both of you combined. If you are married but filing taxes separately, the tax-free benefit is limited to \$2,500.

MANAGE YOUR FSA ON THE GO

Download the free HealthPartners myHP app from the iTunes Store or Google Play to:

- › Check your account balances on the go.
- › Snap and submit photos of your receipts and file claims.
- › And more!

Your FSA Debit Card

When you enroll in the health care or limited use FSA, you will receive a debit card from HealthPartners, which you can use to pay for your eligible FSA expenses.

Some card transactions will be verified at the point of purchase and others will be verified later through an automatic process. However, if HealthPartners cannot determine whether a transaction was for an eligible health care product or service, you will need to submit a detailed receipt to verify your purchase.

You may also submit claims and requested documentation from the myHP mobile app. You can find more FSA resources at [HealthPartners.com](https://www.healthpartners.com). If you have questions or need assistance with your FSA account, call HealthPartners Member Services at (888) 735-9200.

How long do you have to use your debit card for plan year expenses?

You shouldn't use your debit card for expenses once the plan year has ended. For example, you shouldn't use the card in 2026 for 2025 expenses. If you still have 2025 expenses to submit in 2026, you'll need to do it in the app, online, by mail, or fax.

→ FSA TIPS & RESOURCES

Tips to help automatically approve your expenses:

- › Pay your bill in full as soon as possible.
- › Pay separately for each date of service.

Tips for submitting documentation:

- › Save your documentation electronically so it's easy to attach to your reimbursement request. You can take a picture with your smartphone or scan it. Submit your reimbursement request using the myHP mobile app or your myHealthPartners account. You can also mail or fax a copy to HealthPartners at (877) 624-2287.
- › Keep all receipts.
- › If you don't have a HealthPartners medical plan, get a copy of your Explanation of Benefits (EOB).
- › Read all letters and emails from HealthPartners. They let you know when documentation is needed.
- › Send in documentation right away. Your card could be suspended if you wait too long. If documentation is requested and not received **you will be taxed** on the amount of the transaction.

Additional FSA resources can be found at [HealthPartners.com](https://www.healthpartners.com). If you have questions or need assistance with your FSA account, call HealthPartners Member Services at (888) 735-9200.

Life and Accidental Death & Dismemberment Insurance

Life insurance coverage helps protect your loved ones in the event of your death or serious injury. Even if you're single, your beneficiary can use your life insurance benefits to pay off your debts, such as credit cards, mortgages and other final expenses.

Accidental Death & Dismemberment (AD&D) insurance pays a benefit if the covered person dies as a result of an accident. It will also pay all or part of the coverage amount if the covered person suffers a dismemberment injury or other covered loss due to an accident.

You can purchase coverage for yourself, your spouse/domestic partner, and/or your dependent children.

Basic Life and AD&D Insurance

UnityPoint Health offers group term life and AD&D insurance automatically at no cost to you.

COVERED PERSON	COVERAGE AMOUNTS	PREMIUM
Full-time and part-time benefit eligible team members	1.5 times your base annual pay, up to \$450,000	No cost to you

Voluntary Life and AD&D Insurance

You may purchase additional life and AD&D insurance at favorable group rates. You pay for this coverage with after-tax dollars. Premiums for this coverage are shown in Lawson during your enrollment experience.

COVERED PERSON	COVERAGE AMOUNTS	PREMIUM
Employee	Increments of \$10,000 up to the lesser of: > 8 times your annual base pay, or > \$500,000	Based on team member's age as of January 1, 2025
Spouse/domestic partner	Increments of \$10,000 up to \$100,000	Based on team member's age as of January 1, 2025
Children (up to age 26)	Flat amount of \$5,000 or \$10,000 per child	Flat rate no matter how many children are covered

REVIEW & UPDATE

Review and update your beneficiaries with Prudential at prudential.com/mybenefits

Amount Limit Due to Age

If you are age 70 and over, the life and AD&D insurance benefit amount you are eligible for is reduced. Team members aged 70-74 will have life and AD&D insurance value at 65% of the benefit, and those aged 75 and over will have a life and AD&D insurance value of 50% of the benefit.

What You Need to Know About Evidence of Insurability (EOI)

When it comes to voluntary life and AD&D insurance, you may be required to provide Evidence of Insurability, or EOI, to the insurance carrier as part of the application process.

- › If you are newly benefit eligible and enrolling in life and AD&D insurance for the first time:
 - you may purchase voluntary employee life and AD&D coverage in increments of \$10,000 up to the lesser of 8 times your annual base pay or \$500,000, without providing EOI.
 - you may purchase voluntary spouse/ domestic partner life and AD&D coverage in increments of \$10,000 up to \$100,000, without providing EOI.
- › Each year after your initial enrollment period, you may increase your coverage for yourself and/or spouse/domestic partner by \$10,000 (not to exceed the maximum) without providing EOI as long as you are currently enrolled in voluntary life and AD&D insurance.

Life AD&D Insurance EOI Process

- › If you are currently enrolled in voluntary life and AD&D insurance and you elect an amount greater than \$10,000 after your initial enrollment period, you will be required to submit EOI. If this is the case, you will receive an email with a link to an online questionnaire about you and/or your spouse/domestic partner's health. You must complete the questionnaire in order for your requested coverage increase to be considered.
- › Based on the answers in your questionnaire, you may also need to get a basic physical exam.

DON'T BE DENIED

Evidence of Insurability is important! Your coverage may be delayed or denied if you don't submit EOI.

Use the chart above to find the bi-weekly cost for employee's age and enter:	\$ _____(3)
Multiply the amount in Line 2 by the amount in Line 3 and enter:	
This is your bi-weekly cost for Voluntary Life and AD&D Insurance	\$ _____(4)

Note: Your cost can change if your coverage amount changes, your age changes, or if the insurance rates change.

Critical Illness Insurance

Critical Illness Insurance through Voya pays a lump sum benefit if you are diagnosed with a covered illness or condition. You can use the benefit payment for any purpose you choose. You can purchase coverage for yourself, your spouse/domestic partner, and your children under age 26. If you leave UnityPoint Health, you can take this coverage with you. The following coverage amounts are available:

COVERED PERSON	COVERAGE AMOUNTS
Employee	\$10,000 \$20,000 \$30,000
Spouse/domestic partner	\$10,000
Children	\$5,000 per child

You must elect critical illness insurance for yourself in order to elect coverage for your spouse/domestic partner or child(ren).

If a covered person is diagnosed with a covered condition, the plan will pay this amount:

100% OF COVERAGE

- › Heart attack
- › Stroke
- › Coma
- › Cancer
- › Type 1 Diabetes
- › Major organ failure
- › Permanent paralysis
- › End stage renal failure

WELLNESS BENEFIT

The plan also pays a wellness benefit of \$50 once per calendar year for each family member enrolled when an eligible health screening test is completed. For more information, review the [Wellness Benefit Claims Checklist & FAQ](#).

Infectious Condition Additional Benefit Rider

If you are diagnosed with COVID-19*, this pays a benefit** of \$100. If you are hospitalized for COVID-19* and there is a room and board charge for that hospitalization, this pays a benefit** amount of \$1,000.

Specified Conditions Diagnosis Benefit

This benefit will pay you a Specified Condition Diagnosis benefit if you are diagnosed with autism spectrum disorder Level 3 on or after the coverage effective date.

Specified Condition Facility Confinement Benefit

If you are diagnosed with bipolar disorder or depressive disorder that results in a confinement to a hospital, rehabilitation facility or transitional care facility, this benefit will pay you a Specified Condition Facility Confinement Benefit.

Although there is not a pre-existing condition limitation on the Critical Illness plan, the plan will only cover illnesses/diseases that are diagnosed after the effective date of coverage.

At the time of claim, each claimant will be asked to provide supporting medical documentation along with the Attending Physician's Statement of Critical Illness/ Specified Disease form.

*COVID-19 diagnosis must be confirmed by a medical professional.

**A benefit is payable up to a maximum of 1 time per Covered Person per policy calendar year

Hospital Indemnity Insurance

What is Hospital Indemnity Insurance?

Hospital Indemnity Insurance through Voya pays a daily benefit if you have a covered stay in a hospital, critical care unit or rehabilitation facility. The benefit amount is determined by the type of facility and the number of days you stay. Hospital Indemnity Insurance is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

How can Hospital Indemnity Insurance help?

Below are a few examples of how your Hospital Indemnity Insurance benefit could be used (coverage amounts may vary):

**MEDICAL EXPENSES,
SUCH AS DEDUCTIBLES
AND COPAYS**

**TRAVEL, FOOD AND
LODGING EXPENSES FOR
FAMILY MEMBERS**

**EVERYDAY EXPENSES
LIKE UTILITIES AND
GROCERIES**

**CHILD
CARE**

Who is eligible for Hospital Indemnity Insurance?

- › All UnityPoint Health benefit eligible team members, their spouses/domestic partners and children.
- › Your children are eligible for coverage up to age 26.
- › If you elect coverage for your family members, your spouse/domestic partner and children will have the same Hospital Indemnity benefits as you do.

Short-Term Disability & Long-Term Disability

Short-Term Disability (STD)

The Short-Term Disability (STD) Plan provides income protection if you become disabled and cannot work due to a non-work-related illness or accidental injury.

UnityPoint Health automatically provides Short-Term Disability coverage – at no cost to you – for all eligible team members. Participation begins on the first of the month following your start date or benefit status change date.

The Short-Term Disability Plan begins to pay benefits after 7 days of continuous disability. Short-Term Disability benefits replace 60% of your regular weekly base pay, to a maximum of \$2,500 per week, for up to 26 weeks.

The Short-Term Disability plan for Finley Hospital providers begins to pay benefits after 14 days of continuous disability.

Long-Term Disability

If you become disabled for an extended period of time and cannot work, no benefit becomes more important to your financial security than disability income protection.

BASIC LONG-TERM DISABILITY

If you remain totally disabled and unable to work for more than 180 days, you may be eligible for Long-Term Disability (LTD) benefits through Prudential. UnityPoint Health automatically provides you LTD benefits that replace up to 60% of your monthly base pay, up to a maximum of \$15,000 per month.

Monthly LTD benefits will be reduced by Social Security and any other disability income you are eligible to receive, such as Workers' Compensation.

INDIVIDUAL DISABILITY INCOME

UnityPoint Health recognizes that basic Long-Term Disability(LTD) insurance alone may not provide enough of a monthly income to meet your financial obligations. That's why we offer supplemental coverage that guarantees a disability benefit amount of up to \$10,000 per month on top of your basic LTD benefit amount, with no medical exams required.

NO COST TO YOU

UnityPoint Health automatically provides Short-Term and Long-Term Disability coverage- at no cost to you- for all eligible team members.

ABSENCEONE

All approved Leaves of Absence (LOA), including intermittent FMLA and continuous LOA, including Short-Term Disability (STD), medical, personal, and military leave, are administered through AbsenceOne. Access the AbsenceOne online portal at AbsenceOne.com/unitypointhealth.

Legal Insurance & Identity Theft Protection

Whether you need assistance writing your will, disputing a traffic ticket, or protecting yourself against identity theft, Legal Insurance and Identity Theft protection from ARAG is here to help.

For only \$9.46 per pay period, you and your covered dependents will have access to a nationwide network of attorneys who will work with you to address and resolve life's legal, financial, and identity theft issues, such as:

- › Consumer and fraud protection
- › Wills and estate planning
- › Real estate
- › Family law
- › Civil damage claims (defense)
- › Criminal matters
- › Government benefits
- › Small claims court
- › Tax issues
- › Traffic matters
- › Debt-related matters
- › Landlord disputes

In the event that your identity is stolen, the ARAG Identity Theft Protection program provides full-service restoration including access to Certified Identity Theft Restoration Specialists and reimbursement for up to \$1 million for expenses associated with restoring your identity.

To see a full list of coverages available under this plan, visit ARAGLegalCenter.com (access code 18191uph) and click on Plan Details. For any legal matters not covered and not excluded under the plan (including immigration assistance), you are eligible to receive at least 25% off the Network Attorney's normal rate.

Malpractice Insurance

Your malpractice insurance is provided by UnityPoint Health at no cost to you. Please reference your Provider Employment Agreement for more information. Questions should be directed to your affiliate Risk Management/ Compliance department.

Diversity, Equity & Inclusion Coverage

ARAG is constantly evolving and adapting to meet the needs of all team members.

Whether it's a team member with a disability, a veteran or a member of the LGBTQ+ community, their coverage provides solutions that include:

- › Domestic Partnership Agreement
 - › HIPAA/Hospital Visitation Authorization
 - › Funeral Directive
 - › Gender Identifier Change
 - › Social Security/Veterans/Medicare Dispute
 - › School Administration Hearing
- and, network attorney fees for most covered matters like these are paid 100% in full.

TRACK YOUR ACTIVITY

This service can track your credit activity or online identity and you are notified immediately of suspicious activity.

Pet Insurance

Now more than ever, pets are playing a significant role in our lives, and it's important to keep them safe and healthy. Help make sure your furry family members are protected against unplanned vet expenses for covered accidents or illnesses with MetLife Pet Insurance*.

Like health insurance for you and your family, pet insurance is coverage for dogs and cats that can help you be prepared for unexpected vet costs. With MetLife Pet Insurance, you may be able to cover up to 100% of the veterinary care expenses from any licensed veterinarian, specialist, or emergency clinic across the U.S.

What are the coverage options?

Coverage is flexible and customizable so that you can choose the plan that works for you.

Options include:

- › Levels of coverage from \$500 - unlimited
- › \$0 - \$2,500 deductible options
- › Reimbursement percentages from 50% - 100%

How much does Pet Insurance cost?

Each pet's premium will be unique based on the age, breed, location, as well as what coverage amount you select. Plus, if you go claim-free in a policy year, MetLife will automatically decrease your deductible by at least \$25.

How do you pay for the insurance?

You can set up an automatic payment from your bank or credit card with MetLife.

WHAT'S COVERED?	COVERAGE ALSO INCLUDES
Exam fees	Hip dysplasia
Accidental injuries	Hereditary conditions

Vacation Time

UnityPoint Health understands the importance of unplugging and spending time with those most important to you. That's why we provide vacation time to our eligible physicians. The purpose of vacation time is to give physicians flexibility in scheduling time away from work. Vacation time combines vacation, individual or family related sick days, holidays, and personal days you might need during the year.

Vacation time includes time off required under all state and local paid leave laws to include sick and safe leave.

UnityPoint Recognized Holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day.

NOTE: Hospitalists are not eligible for vacation time but do receive 5 days paid to satisfy the short term disability elimination period.

Parental Leave & Adoption Assistance

Parental Leave

We know it is important for you to take time to care for your newborn or adopted child. Any full-time benefit eligible team member (0.8 FTE or more) who has at least six months of employment with UnityPoint Health will have the ability to:

- › Receive 40 hours of additional Paid Time Off (PTO)
- › Utilize a position-guaranteed leave

ABOUT YOUR BENEFIT

When you request a parental leave following the birth or adoption of a child, UnityPoint Health will provide 40 hours of additional Paid Time Off (PTO). The additional days will be added to your PTO bank and can be used through your regular time off request.

UnityPoint Health will also extend a position-guaranteed leave for two additional weeks. This extension will take place upon the exhaustion of Family Medical Leave Act (FMLA), Wisconsin Family and Medical Leave Law (WFMLL), Iowa Pregnancy Leave Law (IPLL), and/or Short-Term Disability. These additional two weeks must be taken consecutively.

ABSENCEONE

To speak with an AbsenceOne representative who can answer your questions or to request a Parental Leave, please contact AbsenceOne by visiting absenceone.com/unitypointhealth or calling (877) 467-2671.

Adoption Assistance

UnityPoint Health will grant up to \$6,000 in reimbursement, per child, for expenses related to the process of the legal adoption of a child to full-time and part-time benefit eligible team members who have completed at least 90 days of employment. For reimbursement, benefit eligible team members must complete the Application for Assistance and provide a copy of finalized adoption paperwork along with copies of appropriate bills, invoices, receipts, or other statements that verify the amount of adoption assistance being requested. This is done by submitting a case in Lawson to AskHR. If both parents work for UnityPoint Health, the total amount of reimbursement per legal adoption of a child is up to \$6,000 per child.

OnPoint for Health: Wellness Credit and Wellness Rewards

2026 Wellness Credit

Team members and their spouses or domestic partners who are enrolled in the health plan will have two opportunities to earn rewards – A wellness credit and a wellness reward.

Please note: New hires as of October 1, 2025 and on will be grandfathered into the 2026 Wellness Credit.

- 1 Complete an **annual physical** with your primary care provider (PCP) between December 1, 2024 - November 30, 2025.
- 2 Log into the OnPoint for Health portal between October 1, 2025 - December 19, 2025 to complete the online Health Risk Assessment (HRA).

2025 Wellness Rewards

Benefit-eligible team members (even if they are not enrolled in a UnityPoint Health medical plan) and their spouse/domestic partner (who must be enrolled in a UnityPoint Health medical plan) can earn points by completing challenges that will be available after January 1, 2025 in order to earn financial rewards.

ACHIEVE 1,500 POINTS

earn a **\$100 REWARD** paid out on your paycheck

ACHIEVE 3,000 points

earn a **\$150 REWARD** paid out on your paycheck

Please note: All wellness rewards are subject to tax and you must be in an active, benefit-eligible status at the time the reward is paid out in order to receive it.

DID YOU KNOW?

Both UnityPoint Health medical plans completely cover the cost of your annual physical with your PCP.

HEALTH RISK ASSESSMENT (HRA)

Review the [Notice Regarding Wellness Program](#) for information on what will be collected, how it will be used, who will receive it and what will be done to keep it confidential.

*Eligibility for these rewards will be reviewed on a monthly basis between February and December 2025. The financial reward will be paid out by the 2nd paycheck of the following month in which the point total is achieved.

Full Time (64-80)	\$5,250/year
Part Time (32-63)	\$2,625/year

Terms of Tuition Reimbursement

- › All courses related to a degree or certificate program must be completed with a minimum grade equivalent of C or better and award college credit. Courses that are based on a pass/fail grading system must be completed with a passing grade. Courses in which a Team Member receives an incomplete, withdrawal, or equivalent grade are ineligible.
- › Eligible expenses include tuition, required textbooks, and mandatory course-related fees such as registration or admissions fees, lab fees, technology fees, library cards, and graduation fees.
- › Ineligible expenses include, but are not limited to, meals, lodging, transportation and tools or supplies (other than textbooks) that can be kept after completing the course of instruction
- › Educational programs not covered include, but are not limited to, individual courses for sports, recreation or hobbies, unless part of a degree program and seminars, conferences and workshops.
- › Although attainment of educational goals often leads to improved performance and new career opportunities, participation in this program does not guarantee a specific career result such as a promotion or salary increase.
- › In compliance with IRS regulations (section 127), employer provided educational assistance is exempt from taxation up to a maximum of \$5,250 per calendar year. Taxes will be assessed if, at the time of payment processing, the total amount of tuition assistance paid in the calendar year exceeds \$5,250. Please consult with your tax advisor for additional information.

Work Commitment

A Team Member who voluntarily terminates employment or is terminated for cause within 12 months of receiving education assistance through Traditional Reimbursement will be required to refund UnityPoint Health 100% of the payments received within that time period on a pro-rated basis from the time of last payment and date of termination.

Public Service Loan Forgiveness (PSLF) Support

PSLF is a federal program created for those in public service jobs, offering the opportunity to have your federal loan balances forgiven after 10 years and 120 qualifying payments. All tax free!

Team Members can receive PSLF support through Fidelity's Summer program aimed at streamlining and automating the process while reducing stress with resources that may help increase financial well-being and confidence.

KEY FEATURES OF THE PROGRAM INCLUDE:

- › **Complete PSLF coverage** – Summer manages the entire PSLF process for borrowers from checking eligibility to employer coordination and online form submission.
- › **Recertification support** – Summer works with borrowers and their employers to ensure all PSLF requirements are met.
- › **Protection from server mistakes** – Summer has deep experience navigating rejections from loan servicer mistakes.

For help from an expert to determine your eligibility or support filling in your forms, visit fidelity.com/forgiveness. Employment certification forms ready for completion should be sent to leaves@unitypoint.org.

Student Loan Origination & Refinancing

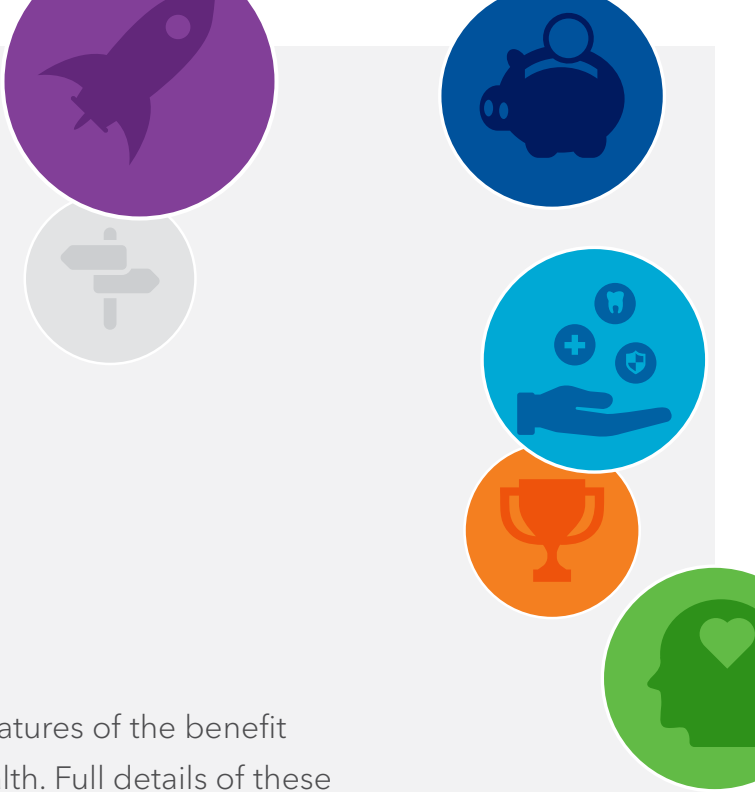

Fidelity's Credible program is one way to find options to pay for college. Credible is an online marketplace that provides borrowers looking for private student loans with competitive, personalized, prequalified rates from up to 8 vetted lenders.

There is no cost to request offers, and checking rates will not impact your credit score.

Key features of the program include:

- › Personalized rates, not ranges from multiple lenders
- › Ability to comparison shop across lenders to find the best solution for your situation
- › No hidden fees, original fees, or prepayment penalties
- › Simple online process that keeps your data confidential.

HIPAA Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after marriage. You must request enrollment within 60 days of birth, adoption, placement for adoption, loss of eligibility for Medicaid or Children's Health Insurance Program (CHIP) or becomes eligible for subsidy (state premium assistance program). To request special enrollment or obtain more information, contact UnityPoint Health's AskHR department by calling 1-888-543-2275.

Women's Health And Cancer Rights Act of 1998 (WHCRA)

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call HealthPartners Member Services at (888) 735-9200 for more information.

No Surprise Act Notice

Federal law requires health insurance issuers offering group health insurance coverage to make available a notice to team members informing them of federal restrictions on balance billing and the requirements under Code 9816, ERISA section 716, and PHS Act second 2799A-1. The No Surprise Act Notice also lets you know how you may contact appropriate state or federal agencies if a provider or facility has violated the restrictions against balance billing.

Premium Assistance Under Medicaid and The Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed in the CHIP notice, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1(877) KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1(866) 444-EBSA(3272).

If you live in one of the states listed in the CHIP notice, you may be eligible for assistance paying your employer health plan premiums. Contact your state using the contact information provided here for more information on eligibility.

Marketplace Notice

The Patient Protection and Affordable Care Act (ACA) requires employers to provide team members with a written notice informing them of the existence of the Marketplace, including a description of the services provided by the Marketplace. The [Marketplace Notice](#) also lets you know how you may contact the Marketplace to request assistance.

Illinois Consumer Coverage Disclosure

For team members residing in Illinois, the Consumer Coverage Disclosure Act (CCDA) requires employers to disclose a written list of benefits offered compared to the list of essential health benefits issued by the State of Illinois. The [Illinois Consumer Coverage Disclosure](#) lets you compare the benefits offered by UnityPoint Health with the state's 'Benchmark Plan' posted on the Illinois Department of Labor website.

Notice of Privacy Practices

The HIPAA Privacy Rule requires groups offering certain health benefit plans to develop and distribute a Notice of Privacy Practices (NPPs). The [Notice of Privacy Practices](#) must describe how the covered entity may and may not use protected health information (PHI) and what your rights and obligations with respect to protected health information (PHI) are.

Voluntary Benefit Notice

UnityPoint Health does not sponsor, endorse or administer these voluntary programs or benefits and these voluntary programs or benefits do not constitute an "employee benefit plan" under the Employee Retirement Income Security Act of 1974 (ERISA), as amended.
