

How to Re-Register to the New Portal:

Maintain Access to Your Benefits!

Visit www.avesis.com and select Login > Commercial > Members

**For the best experience, use Chrome as your browser.*

On the right-hand side, click on "**Create a New Login Account.**"

Select the first option: "**Create Member Account.**"

Fill in the required fields (First Name, Last Name, Preferred Email Address**, Date of Birth, and your Member ID or Social Security Number), and then click "**Next.**"

**Preferred Email Address works best when using your personal email rather than a work email.

The next screen will prompt you to set up security questions and preferences.

Once you read and agree to the Web Confidentiality Agreement, check your email to validate your account and set up your password.

If you have any questions or assistance with re-registering, please feel free to contact Customer Service -- csassistance@avesis.com or call 855-214-6777.
