

Inclusive Benefits

Added Legal Protection for You, Support for All

No matter who you are or where you're at in life, legal issues don't discriminate. That's why your ARAG® legal insurance plan includes inclusive benefits to protect you and your family. Whether you're adopting a child or you want to prepare a domestic partnership agreement, you can work with a network attorney and their fees are paid in full for most covered matters. These examples are just a few of the ways your legal plan can help:

- **Administrative Hearings (Veterans Benefits Dispute)**
Your veterans benefits check arrived and it's lower than it has been in the past.
- **Adoption**
You're using an adoption agency for a domestic or international adoption. You want an attorney's assistance to adopt your partner's biological child.
- **Domestic Partnership Agreement**
You'd like to establish a legal agreement between you and your partner regarding the roles and responsibilities of your relationship.
- **Egg/Sperm/Embryo Donation Agreement**
You want an attorney to prepare an agreement giving you (the intended parent) control over all eggs retrieved from a donor.
- **Estate Planning (Wills, Trusts, etc.)**
You are being deployed and want to make sure your spouse has the right to make all financial decisions in case you are incapacitated.
- **Funeral Directive**
You want your partner to have the legal right to carry out your final wishes — from making funeral arrangements to deciding how you'll be remembered.
- **Guardianship/Conservatorship**
You have a parent who is ill and cannot take care of themselves.
- **Gender Identifier Change**
You want an attorney to assist you in the process of changing your gender marker on government documents (Social Security, birth certificate, driver's license, etc.)
- **HIPAA Authorization**
You want your partner to have access to your health information.
- **Hospital Visit Authorization**
You want to document your wishes regarding your partner's rights to visit you in a medical facility.
- **Pre-Birth Parentage Order**
You are using a surrogate to have a baby and you need to establish legal parentage over the baby.
- **School Administrative Hearings**
Your child has a disability, and the school is not providing adequate accommodations.
- **Surrogacy Agreement**
You and your partner want to have a baby through surrogacy and need help conducting the evaluation, writing an agreement and negotiating payment.
