You Matter.

At UnityPoint Health, we provide team members with a strong culture where you can work, grow, and belong through a set of shared values. We also offer a comprehensive Total Rewards package that supports your career and life journey, so you can focus on delivering an exceptional experience to our patients and communities.

UnityPoint Health is committed to providing benefits that support your physical, emotional and financial health. Our benefits are flexible enough to help meet your immediate and future needs.

How to Use this Guide

We know there is a lot of information in this guide, and you may be feeling a little overwhelmed. Here are a few tips on how to get the most out of this guide as you prepare to select your benefits.

- › **Use the Table of Contents**

Click on the title of the benefit you want to learn more about for quick navigation around the guide.

- › **Know Where to Get the Most Up to Date Information**

Please remember this guide may be updated throughout the year. For the most up to date information, head to uphtotalrewards.com or the [HR landing page](#).

- › **AskHR is Here to Help!**

If you have questions about anything in the benefit guide, reach out to AskHR by creating a case in Lawson or calling (888) 543-2275.

Enrollment and Eligibility

Eligible team members have 30 days from their start date to enroll in benefits using the Lawson portal. Benefits begin the first day of the month following your start date. You can find a link to Lawson and instructions for how to enroll on the [HR landing page](#).

Who is Eligible You are eligible to enroll in UnityPoint Health benefits if you are in a benefits-eligible status. You are eligible for benefits if you are a:

- ✓ **FULL-TIME** team member who is regularly scheduled to work 64 hours or more per pay period. (0.8 - 1.0 FTE)
- ✓ **PART-TIME** team member who is regularly scheduled to work 32-63 hours or more per pay period. (0.4 - 0.79 FTE)

Dependents In most cases, you can enroll your eligible dependents. If adding a spouse/ domestic partner or dependent child, we highly encourage adding their social security number (identification number) to their dependent profile.

Dependent Verification You may be asked to verify the eligibility of your spouse/partner and/or your dependents in order for them to be covered by UnityPoint Health benefits. If asked to do so, you must submit the requested documents or risk having your dependents removed from benefits.

Eligible dependents include:

- › Spouse/partner (spouse, civil union partner, domestic partner*, common law spouse).
- › Your children under age 26.
- › Unmarried children of any age who are unable to support themselves because of a physical or mental disability.**

Working Spouse Surcharge Team members who choose to enroll a working spouse/partner who is eligible for health insurance coverage through their employer will pay a \$75 working spouse surcharge. The \$75 surcharge only applies to health insurance and will be added to your per pay period premium.

*When enrolling a domestic partner, you will be required to verify and acknowledge that they are eligible for the plans you have selected. After you complete your enrollment, our HR Shared Services team will reach out within a few business days to advise on the next steps for verifying your domestic partner.

**Applies if not covered by other government programs and meets the eligibility requirements as defined by each benefit plan.

Domestic Partner Imputed Income

If you choose to add your domestic partner to health or dental insurance, you will be responsible for imputed income tax on the difference in the employer premium for the additional coverage.

Qualifying Life Events

You can change your coverage during the year if you have a qualifying life event. The changes you may make depend on the type of qualifying event that occurs.

If you experience a qualifying life event and wish to make changes to your benefits, you must declare a life event through Lawson within 30 days of the date of the event (60 days for the birth of a child, adoption, or adoption placement).

Team members are allowed to make changes mid-year between plan options under health or dental insurance. For example, you may change from the Traditional Plan to the Health Savings Plan (HSA) or vice versa. Note: Deductible and maximum out of pocket accumulators will transfer between plan options, team members will be responsible for any excess health saving account contributions and team members are not able to change flexible spending account annual election amounts.

Examples of qualifying life events include:

- › Marriage, divorce, or legal separation
- › Birth or addition of an eligible child
- › Loss of other coverage
- › New eligibility for other coverage
- › Qualified medical child support order
- › Status changes
- › Commencement or return from an unpaid leave of absence
- › Change in residence or place of work resulting in change in health insurance availability
- › Death of spouse/partner or eligible child

STATUS CHANGES

Current team members who are newly benefit eligible have 30 days from their status change date to enroll in benefits. If moving from a full-time to part-time position or vice versa you have 30 days from your status change date to request a change to your health insurance through AskHR.

LIFE EVENT GUIDE

For additional information check out the [Qualified Life Event Guide](#)

Continuation of Coverage (COBRA)

Continuation of Coverage (COBRA) provides a temporary extension of health benefits when you or your eligible dependents lose group coverage. COBRA coverage is available for health, dental, vision, and medical flexible spending accounts.

If you experience a qualifying event (such as termination of employment or reduction in work hours), COBRA enrollment information will be sent directly to you and/or your eligible dependents by the COBRA administrator.

Transferring Employment Within UPH Affiliates

If you transfer employment to another UnityPoint Health affiliate, your benefits will continue unchanged if you continue to meet eligibility requirements. You cannot make changes to your benefit elections if you transfer employment as this is not a qualifying event for making changes during the year.

My Benefits

Health, dental, and vision insurance, life and disability insurance, and programs to help save for the future, such as 401(k) and Health Savings Account (HSA)

Health Insurance

Enrollment

You have the choice between two different health insurance plans, the **TRADITIONAL PLAN** or the **HEALTH SAVINGS PLAN**. Both health insurance plans:

- › Cover the same basic medical services
- › Cover the same network of providers, hospitals and health care specialists who deliver quality care according to network standards and have agreed to lower, preferred rates for covered services.

Depending on the plan selected, your share of the costs of medical services you receive differs.

✓ **TRADITIONAL PLAN**

- › Higher biweekly premium cost for coverage
- › Cost of care (deductible and out-of-pocket maximum) lower than the Health Savings Plan
- › The family must collectively satisfy the family deductible. Additionally, each family member has an individual deductible in addition to the overall family deductible. This means that if an individual meets their deductible before the family deductible is reached, their services will be covered by the insurance carrier.

✓ **HEALTH SAVINGS PLAN**

- › Pay less in biweekly premium costs for coverage
- › Cost of care (deductible and out-of-pocket maximum) higher than the Traditional Plan
- › UnityPoint Health contributes to your Health Savings Account (HSA) to help offset out-of-pocket costs
- › If you cover your spouse and/or dependents, the family deductible must be reached, either by an individual or by the family, before services will be covered by the insurance carrier. There is no individual deductible under the family Health Savings Plan.

Important Health Insurance Definitions

This list of health insurance definitions is included for reference in this section of the benefit guide.

- › **Deductible:** The out-of-pocket amount you pay for covered health care before your plan begins paying. Not all services may count toward the deductible.
- › **Coinsurance:** The percentage of covered costs you pay after meeting your deductible.
- › **Copay:** A set fee you pay for certain services; your insurance covers the remaining cost.
- › **Out-of-Pocket Maximum:** This is the total you pay for deductibles, coinsurance and copays in a policy period. After reaching this limit, your plan covers all allowed costs for covered services.
- › **Formulary Drug:** Is a list of prescription medications that are covered by a health insurance plan. It is organized based on factors such as cost, safety and effectiveness. The formulary is created and regularly updated by medical experts to ensure that it reflects the best options for patients.
- › **Preventive Services:** Services that are fully covered with no deductible when using a network provider. Breast cancer screening may now include ultrasounds, MRIs, and biopsies at no extra cost. Review Wellmark's preventive services list [here](#).
- › **Medication Therapy Management (MTM):** UnityPoint Health MTM pharmacists assist patients in reviewing their medications to ensure they are suitable for their health conditions. The pharmacist collaborates with both the patient and their care team to verify that the medications, dosages, and schedules align with individual needs. Additionally, the pharmacist checks for potential drug interactions and side effects. Visits are available by phone or video conference for convenience. Regular interaction with a pharmacist may help reduce medication copay expenses.
- › **Summary of Benefits and Coverage (SBC):** The SBC provides a simple overview of a health plan's costs, benefits, covered services and unique features. It is useful for comparing benefit plans. SBCs can be found on the [HR landing page](#) under My Benefits and Health Insurance.

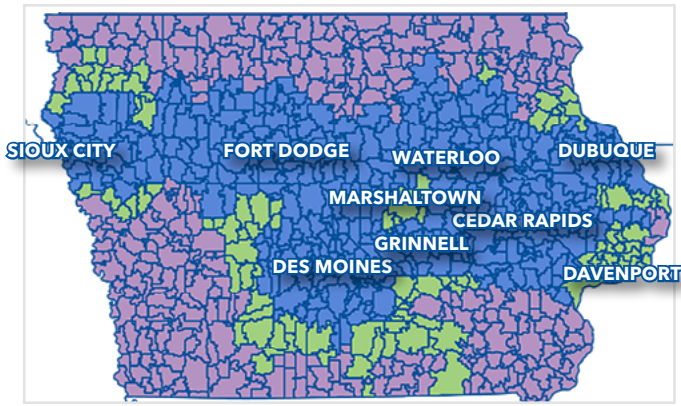

Understanding the Network

To choose the right plan for you and your family, consider where you'll get your care and how out-of-pocket costs fit your budget. UnityPoint Health offers lower costs when you use select in-network providers.

To locate in-network providers visit Wellmark.com/Find-Care or call Wellmark Customer Service at (800) 546-3939. Once your plan is effective, you will be able to log in to the myWellmark portal or app to verify appropriate Tier costs.

Team Members Residing in Iowa

The zip code of your primary residence will determine your provider network access. Services received from out-of-network providers are not covered. Locate your primary residence zip code to see your zone, then check your plan's out-of-pocket costs in the tables in the following pages.

QUICK SEARCH

To quickly check if your primary residence ZIP code is listed in the tables below, press "Ctrl + F" on your keyboard to open the search bar. Then, type your ZIP code and press "Enter."

About Your Prescription Drug Coverage

All health insurance plans cover formulary drugs, no matter your location. To check if your prescription is covered, click [here](#).

Some specialty medications must be filled at UnityPoint at Home or select pharmacies. Certain administered medications are only covered if given by preferred providers or dispensed by UnityPoint at Home.

Drugs are organized into Tiers and Levels, which affect your cost at the pharmacy—the higher the Tier or Level, the more you pay. Once your plan is effective, you can check drug costs using the Find Costs tool on the myWellmark member portal or app. This tool helps you make the most of your pharmacy benefits.

Health Savings Account (HSA)

Team members that enroll in the Health Savings Plan are eligible to participate in an HSA. The HSA is a savings account that you can fund with pre-tax dollars. The money in the HSA can be used to pay for both current and future qualified medical expenses. Medical expenses are defined under the Internal Revenue Code and generally cover most medical care, dental services, vision care and prescription drugs.

Benefits of Establishing a Health Savings Account (HSA)

There are many benefits of establishing an HSA, including:

- › Contributions reduce taxable income, funds grow tax-free and distributions for qualified expenses are not taxed.
- › UnityPoint Health makes a contribution to your health savings account.
- › You can change or update contributions throughout the year.
- › The balance can roll over from year to year. Unlike a flexible spending account (FSA), the HSA is not a “use it or lose it” account.
- › HSA funds belong to you even if you leave UnityPoint Health, change medical plans, or retire.

You are not Eligible to Contribute to an HSA

- › You are covered by a non-HSA eligible medical plan, a spouse’s health care FSA or health reimbursement account.
- › You are enrolled in Medicare, TRICARE, or TRICARE for Life.
- › You have received Veterans Health Administration benefits in the last three months (unless the condition for which you received care was service related).
- › You are eligible to be claimed as a dependent on someone else’s tax return.

HOW MUCH CAN I CONTRIBUTE TO MY HSA IN 2026?*

Individual	\$4,400
All Other Coverage Tiers	\$8,750

HOW MUCH WILL UNITYPOINT HEALTH CONTRIBUTE TO MY HSA IN 2026?

Individual	\$750
All Other Coverage Tiers	\$1,500

The maximum contribution amount **includes** dollars contributed by UnityPoint Health. A catch-up contribution of an additional \$1,000 is allowed for team members 55 or older.

UnityPoint Health advances the employer contribution to your account when you enroll in the Health Savings Plan which allows you to have access to those funds immediately. If your benefit effective date is after January 1, the amount is prorated based on the number of months remaining in the year.

*The maximum amount you may contribute to your HSA, assuming you enroll at the start of the year. These amounts include UnityPoint Health contributions. If you enroll into an HSA after the first of the year, this amount will change based on the monthly prorated UnityPoint Health contribution.

Receive and Make Contributions to Your HSA

- › You will need to open an account with Fidelity (instructions below). This will allow your payroll contributions and the UnityPoint Health contribution to be deposited at Fidelity.
- › In order to make pre-tax contributions to your HSA, you will need to elect those contributions within the Fidelity website. This will be the only method of making and changing your contributions throughout the year.

Opening an Account with Fidelity

When you're ready, opening and managing your HSA with Fidelity is fast and easy. You'll get information on investment choices, payment options, and ongoing support to help you build and manage your savings. For convenience, you can open a Fidelity HSA online.

Here's how it works:

- › Log into NetBenefits® at [NetBenefits.com](https://www.netbenefits.com)
- › From the home page, click "Open" next to "Health Savings Account".
- › If you do not have access to NetBenefits, contact a Fidelity Representative at (800) 544-3716.

Transferring an Account to Fidelity

- › To transfer an HSA account from another provider, team members must first set up their Fidelity HSA.
- › Fidelity can coordinate the transfer for team members and does not charge a fee for this transaction.
- › This transfer is not considered a taxable event and will not be reported to the IRS.
- › The assets being transferred are not applied toward the team member's HSA maximum annual contribution limit. To transfer assets to Fidelity, team members can click [here](#).

Investing Your HSA

- › Investment gains are not taxed
- › No minimum to open an account
- › Investing options give you access to your funds anytime

Dental Insurance

Which Dental Plan is the Best Choice for Me?

We offer dental insurance through Delta Dental of Iowa with a choice of two plans: **BASIC** and **PREMIER**. Both dental plans provide coverage for preventive and basic care services.

✓ **BASIC PLAN:**

- › Lower premiums
- › Doesn't cover orthodontia or major services

✓ **PREMIER PLAN:**

- › Covers orthodontia if under 19
- › Covers major services

The Enhanced Benefits Program (EBP) is available under both plans. The EBP offers additional oral health services to Eligible Covered Persons with qualifying dental or medical conditions. Qualifying participants may be eligible for additional cleanings and topical fluoride application.

Coverage and Costs

Delta Dental of Iowa contracts with dentists and other dental care providers to ensure our team members are covered regardless of where they are located.

You can review the coverage levels and premium information for each dental plan on the next page to help you determine which plan is best for you. The percentages in the table are the percentages you pay.

SAVE MONEY ON THE BASIC PLAN

If you and your eligible dependents don't have orthodontia (under age 19) or major dental service needs, the Basic Plan offers you a way to save money while still getting coverage for your diagnostic, preventive and routine restorative services.

DELTA DENTAL PPO NETWORK

When you see a dental provider who is in the Delta Dental PPO network, you will commonly pay less than when you see a dental provider who is in the Delta Dental Premier network or an out-of-network provider.

**The Lifetime Maximum is the maximum benefit each covered person is eligible to receive for orthodontics in a lifetime.

***You will commonly pay less when seeing a Participating Delta Dental Dentist. For more information, please see the Dental SPD located on the [HR landing page](#).

Vision Insurance

Under vision insurance, you may purchase your eyeglasses and contacts at the eye care provider of your choice. When you use an Avesis network provider, you receive the highest level of plan benefits and have the lowest out-of-pocket costs.

For routine eye exams, you can see any Optometry provider, in or out-of-network. However, for non-routine eye care, you'll need to visit an in-network provider.

Flexible Spending Accounts (FSA)

Flexible Spending Accounts (FSAs) give you the opportunity to lower your taxes by paying for eligible health care and dependent care expenses on a pretax basis. You choose whether to participate in one or both of the accounts each year. The FSAs are funded entirely with your contributions, which are made with pretax dollars from your paycheck.

Eligible Expense Reimbursement: 2026 FSA Plan Funds

For the 2026 plan year, you will be able to submit an eligible expense with a date of service between **January 1, 2026 and December 31, 2026** for reimbursement with your 2026 plan year funds.

All eligible claims must be submitted by **March 31, 2027**.

As you choose to participate, there are a few things to keep in mind:

UNDERSTAND THE “USE-IT-OR-LOSE-IT” RULE

Unspent money left in your FSA accounts is forfeited after the end of the year.

EACH ACCOUNT IS SEPARATE

You cannot transfer money between the health care and dependent care accounts.

NO AUTOMATIC RENEWALMENT

IRS rules require you to actively re-enroll in the FSAs each year if you want to contribute pretax dollars.

SAVE YOUR RECEIPTS

You may be required to submit them to WEX to document your expenditures.

CHOOSE YOUR CONTRIBUTION AMOUNT WISELY

Once you choose your FSA contribution amount, your election cannot be changed during the year without a qualifying life event.

ENROLL IN DIRECT DEPOSIT

The fastest way to get your reimbursement is to enroll in direct deposit.

Health Care FSA

- › This account is for eligible health care expenses for you and your dependents.
- › Eligible expenses include medical, dental, orthodontia, vision and hearing aid expenses not covered by another health benefit plan.
- › You can contribute up to \$3,400 to your Health Care FSA in 2026.

Limited Use FSA

- › If you enroll in the Health Savings Plan, you cannot have a regular Health Care FSA, but you can have a Limited Use FSA.
- › With the Limited Use FSA, eligible expenses include dental, orthodontia, vision and hearing aid expenses – not medical expenses or prescription drugs.
- › You can contribute up to \$3,400 to your Limited Use FSA in 2026.

Dependent Care FSA

- › This account can be used to pay dependent care expenses for children under 13 or adult dependents who can't care for themselves.
- › Qualified expenses include in-home child care, licensed day care, preschool facilities, before- or after-school programs, and elder care.
- › You can contribute up to \$7,500 to your Dependent Care FSA in 2026. Note: If your spouse also participates in a dependent care FSA, the tax-free benefit is limited to \$7,500 for both of you combined. If you are married but filing taxes separately, the tax-free benefit is limited to \$3,750.

MANAGE YOUR FSA ON THE GO

Download the free WEX app by searching “Benefits by WEX” on your phone’s online store to:

- › Check your account balances on the go
- › Snap and submit photos of your receipts and file claims
- › And more!

Your FSA Debit Card

When you enroll in the health care or limited use FSA, you will receive a debit card from WEX, which you can use to pay for your eligible FSA expenses.

Some card transactions will be verified at the point of purchase and others will be verified later through an automatic process. However, if WEX cannot determine whether a transaction was for an eligible health care product or service, you will need to submit a detailed receipt to verify your purchase.

You may also submit claims and requested documentation in the WEX mobile app. You can find more FSA resources on the [HR landing page](#).

How long do you have to use your debit card for plan year expenses?

You shouldn't use your debit card for expenses once the plan year has ended. For example, you shouldn't use the card in 2027 for 2026 expenses. If you still have 2026 expenses to submit in 2027, you'll need to submit them in the app, online, by mail, or fax.

FSA TIPS & RESOURCES

Tips to help automatically approve your expenses:

- › Pay your bill in full as soon as possible.
- › Pay separately for each date of service.

Tips for submitting documentation:

- › Save your documentation electronically so it's easy to attach to your reimbursement request. You can take a picture with your smartphone or scan it. Submit your reimbursement request using the WEX mobile app or your WEX online account. You can also mail or fax a copy to WEX customer service at (866) 451-3399.
- › Keep all receipts.
- › Get a copy of your Explanation of Benefits (EOB).
- › Read all letters and emails from WEX. They let you know when documentation is needed.
- › Send in documentation right away. Your card could be suspended if you wait too long. If documentation is requested and not received **you will be taxed** on the amount of the transaction.

Additional FSA resources can be found on the [HR landing page](#). If you have questions or need assistance with your FSA account, call WEX customer service at (866) 451-3399.

Life and Accidental Death & Dismemberment Insurance

Life insurance coverage helps protect your loved ones in the event of your death or serious injury. Even if you're single, your beneficiary can use your life insurance benefits to pay off your debts, such as credit cards, mortgages and other final expenses.

Accidental Death & Dismemberment (AD&D) insurance pays a benefit if the covered person dies as a result of an accident. It will also pay all or part of the coverage amount if the covered person suffers a dismemberment injury or other covered loss due to an accident.

You can purchase coverage for yourself, your spouse/domestic partner, and/or your dependent children.

Basic Life and AD&D Insurance

UnityPoint Health offers group term life and AD&D insurance automatically at no cost to you.

COVERED PERSON	COVERAGE AMOUNTS	PREMIUM
Full-time and part-time benefit eligible team members	1 times your base annual pay, up to \$250,000	No cost to you

Voluntary Life and AD&D Insurance

You may purchase additional life and AD&D insurance at favorable group rates. You pay for this coverage with after-tax dollars. Premiums for this coverage are shown in Lawson during your enrollment experience.

*Team members may not elect Voluntary Life and AD&D coverage for dependents if those dependents are employees of UnityPoint Health.

COVERED PERSON	COVERAGE AMOUNTS	PREMIUM
Employee	Increments of \$10,000 up to the lesser of: > 8 times your annual base pay, or > \$500,000	Based on team member's age as of January 1, 2026
Spouse/ Domestic Partner	Increments of \$10,000 up to \$250,000	Based on team member's age as of January 1, 2026
Children (up to age 26)	Flat amount of \$5,000 or \$10,000 per child	Flat rate no matter how many children are covered

REVIEW & UPDATE

Review and update your beneficiaries with Prudential at prudential.com/mybenefits

Amount Limit Due to Age

If you are age 70 and over, the life and AD&D insurance benefit amount you are eligible for is reduced. Team members aged 70-74 will have life and AD&D insurance value at 65% of the benefit, and those aged 75 and over will have a life and AD&D insurance value at 50% of the benefit.

What You Need to Know About Evidence of Insurability (EOI)

When it comes to voluntary life and AD&D insurance, you may be required to provide Evidence of Insurability, or EOI, to the insurance carrier as part of the application process.

- › If you are newly benefit eligible and enrolling in life and AD&D insurance for the first time:
 - You may purchase voluntary employee life and AD&D coverage in increments of \$10,000 up to the lesser of 8 times your annual base pay or \$500,000, without providing EOI.
 - You may purchase voluntary spouse/domestic partner life and AD&D coverage in increments of \$10,000 up to \$250,000, without providing EOI.
- › Each year after your initial enrollment period, you may increase your coverage for yourself and/or spouse/domestic partner by \$10,000 (not to exceed the maximum) without providing EOI as long as you are currently enrolled in voluntary life and AD&D insurance.

Life AD&D Insurance EOI Process

- › If you are currently enrolled in voluntary life and AD&D insurance and you elect an amount greater than \$10,000 after your initial enrollment period, you will be required to submit EOI. If this is the case, you will receive an email with a link to an online questionnaire about your and/or your spouse/domestic partner's health. You must complete the questionnaire in order for your requested coverage increase to be considered.
- › Based on the answers in your questionnaire, you may be required to get a basic physical exam.

DON'T BE DENIED

Evidence of Insurability is important! Your coverage may be delayed or denied if you don't submit EOI.

Calculating Your Voluntary Life and AD&D Cost

Follow these steps to calculate your bi-weekly voluntary Life and AD&D insurance premium:

Enter the amount of Voluntary Life and AD&D Insurance you want:	\$ _____(1)
Employee: Increments of \$10,000, up to the lesser of 8x your base annual pay or \$500,000 Spouse/Domestic Partner: Increments of \$10,000 up to \$250,000	
Divide the amount in Line 1 by \$1,000 and enter:	\$ _____(2)
Use the chart above to find the bi-weekly cost for employee's age and enter:	\$ _____(3)
Multiply the amount in Line 2 by the amount in Line 3 and enter: This is your bi-weekly cost for Voluntary Life and AD&D Insurance	\$ _____(4)

Note: Your cost can change if your coverage amount changes, your age changes, or if the insurance rates change.

Critical Illness Insurance

Critical Illness Insurance through Voya pays a lump sum benefit if you are diagnosed with a covered illness or condition. You can use the benefit payment for any purpose you choose. You can purchase coverage for yourself, your spouse/domestic partner, and your dependent children under age 26. If you leave UnityPoint Health, you can take this coverage with you.

Team members may not elect coverage for dependents if those dependents are employees of UnityPoint Health. If both you and your spouse are employed by UnityPoint Health only one of you may cover your dependent children.

COVERED PERSON	COVERAGE AMOUNTS
Employee	\$10,000 \$20,000 \$30,000
Spouse/DP	\$10,000
Children	\$5,000 per child

You must elect critical illness insurance for yourself in order to elect coverage for your spouse/domestic partner or dependent child(ren).

If a covered person is diagnosed with a covered condition, the plan will pay this amount:

100% OF COVERAGE

- › Heart attack
- › Stroke
- › Coma
- › Cancer
- › Type 1 Diabetes
- › Major organ failure
- › Permanent paralysis
- › End stage renal failure

25% OF COVERAGE

- › Coronary artery bypass
- › Carcinoma in situ
- › Open heart surgery for valve replacement or repair

10% OF COVERAGE

- › Skin cancer
- › Transcatheter heart valve replacement or repair

WELLNESS BENEFIT

The plan also pays a wellness benefit of \$50 once per calendar year for each family member enrolled when an eligible health screening test is completed. For more information, review the [Wellness Benefit Claims Checklist & FAQ](#).

Infectious Condition Additional Benefit Rider

If you are diagnosed with COVID-19*, this pays a benefit** of \$100. If you are hospitalized for COVID-19* and there is a room and board charge for that hospitalization, this pays a benefit** amount of \$1,000.

Specified Conditions Diagnosis Benefit

This benefit will pay you a Specified Condition Diagnosis benefit if you are diagnosed with autism spectrum disorder Level 3 on or after the coverage effective date.

Specified Condition Facility Confinement Benefit

If you are diagnosed with bipolar disorder or depressive disorder that results in a confinement to a hospital, rehabilitation facility or transitional care facility, this benefit will pay you a Specified Condition Facility Confinement Benefit.

Although there is not a pre-existing condition limitation on the Critical Illness plan, the plan will only cover illnesses/diseases that are diagnosed after the effective date of coverage.

At the time of claim, each claimant will be asked to provide supporting medical documentation along with the Attending Physician's Statement of Critical Illness/ Specified Disease form.

*COVID-19 diagnosis must be confirmed by a medical professional.

**A benefit is payable up to a maximum of 1 time per Covered Person per policy calendar year

Your coverage also includes accidental death and dismemberment benefits. If you are severely injured or pass away due to an accident additional benefits may apply.

WELLNESS BENEFIT

The plan also pays a wellness benefit of \$50 once per calendar year for each family member enrolled when an eligible health screening test is completed. For more information, review the [Wellness Benefit Claims Checklist & FAQ](#).

Hospital Indemnity Insurance

What is Hospital Indemnity Insurance?

Hospital Indemnity Insurance through Voya pays a daily benefit if you have a covered stay in a hospital, critical care unit or rehabilitation facility. The benefit amount is determined by the type of facility and the number of days you stay. Hospital Indemnity Insurance is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

How can Hospital Indemnity Insurance help?

Below are a few examples of how your Hospital Indemnity Insurance benefit could be used (coverage amounts may vary):

**MEDICAL EXPENSES,
SUCH AS DEDUCTIBLES
AND COPAYS**

**TRAVEL, FOOD AND
LODGING EXPENSES FOR
FAMILY MEMBERS**

**EVERYDAY EXPENSES
LIKE UTILITIES AND
GROCERIES**

**CHILD
CARE**

Who is eligible for Hospital Indemnity Insurance?

- › All UnityPoint Health benefit eligible team members, their spouses/domestic partners and dependent children.
- › Your dependent children are eligible for coverage up to age 26.
- › If you elect coverage for your family members, your spouse/domestic partner and dependent children will have the same Hospital Indemnity benefits as you do.
- › Team members may not elect coverage for dependents if those dependents are employees of UnityPoint Health.
- › If both you and your spouse are employed by UnityPoint Health only one of you may cover your dependent children.

Short-Term Disability & Long-Term Disability

Short-Term Disability (STD)

The Short-Term Disability (STD) Plan provides income protection if you become disabled and cannot work due to a non-work-related illness or accidental injury.

UnityPoint Health automatically provides Short-Term Disability coverage - at no cost to you - for all eligible team members. Participation begins on the first of the month following your start date or benefit status change date.

The Short-Term Disability Plan begins to pay benefits after 7 days of continuous disability. Short-Term Disability benefits replace 60% of your regular weekly base pay, to a maximum of \$2,500 per week, for up to 26 weeks.

The Short-Term Disability plan for Finley Hospital providers begins to pay benefits after 14 days of continuous disability.

Long-Term Disability (LTD)

If you become disabled for an extended period of time and cannot work, no benefit becomes more important to your financial security than disability income protection.

BASIC LONG-TERM DISABILITY

If you remain totally disabled and unable to work for more than 180 days, you may be eligible for Long-Term Disability (LTD) benefits through Prudential. UnityPoint Health automatically provides you LTD benefits that replace up to 50% of your monthly base pay, up to a maximum of \$10,000 per month.

Monthly LTD benefits will be reduced by Social Security and any other disability income you are eligible to receive, such as Workers' Compensation.

BUY-UP LONG-TERM DISABILITY

You can purchase additional LTD coverage through Prudential that will increase your monthly benefit to 60% of your monthly base pay, up to a maximum of \$12,000 per month.

If you earn \$288,000 or more you should not enroll in this benefit because you are receiving the maximum benefit amount through basic long-term disability.

The cost of this additional coverage is available in Lawson during your enrollment.

NO COST TO YOU

UnityPoint Health automatically provides Short-Term and Long-Term Disability coverage- at no cost to you- for all eligible team members.

ABSENCEONE

All approved Leaves of Absence (LOA), including intermittent FMLA and continuous LOA, including Short-Term Disability (STD), medical, personal, and military leave, are administered through AbsenceOne. Access the AbsenceOne online portal at AbsenceOne.com/unitypointhealth.

Legal Insurance, Identity Theft Protection & Malpractice Insurance

Whether you need assistance writing your will, disputing a traffic ticket, or protecting yourself against identity theft, Legal Insurance and Identity Theft protection from ARAG is here to help.

For only \$9.46 per pay period, you and your covered dependents will have access to a nationwide network of attorneys who will work with you to address and resolve life's legal, financial, and identity theft issues, such as:

- › Consumer and fraud protection
- › Wills and estate planning
- › Real estate
- › Family law
- › Civil damage claims (defense)
- › Criminal matters
- › Government benefits
- › Small claims court
- › Tax issues
- › Traffic matters
- › Debt-related matters
- › Landlord disputes

ARAG also provides services for parents and grandparents, including:

- › Document preparation
- › Irrevocable trusts
- › Document review
- › Revocable trusts
- › Wills and powers of attorney

In the event that your identity is stolen, the ARAG Identity Theft Protection program provides full-service restoration, including access to Certified Identity Theft Restoration Specialists and reimbursement for up to \$1 million for expenses associated with restoring your identity.

To see a full list of coverages available under this plan, visit ARAGLegalCenter.com (access code 18191uph) and click on View Plan. For any legal matters not covered and not excluded under the plan (including immigration assistance), you are eligible to receive at least 25% off the Network Attorney's normal rate.

Malpractice Insurance

Your malpractice insurance is provided by UnityPoint Health at no cost to you. Please reference your Provider Employment Agreement for more information. Questions should be directed to your affiliate risk management/compliance department.

Inclusivity Coverage

ARAG is constantly evolving and adapting to meet the needs of all team members.

Whether it's a team member with a disability, a veteran or a member of the LGBTQ+ community, their coverage provides solutions that include:

- › Domestic Partnership Agreement
- › HIPAA/Hospital Visitation Authorization
- › Funeral Directive
- › Gender Identifier Change
- › Social Security/Veterans/Medicare Dispute
- › School Administration Hearing

Network attorney fees for most covered matters like these are paid 100% in full.

TRACK YOUR ACTIVITY

This service can track your credit activity or online identity and you are notified immediately of suspicious activity.

Pet Insurance

Now more than ever, pets play a significant role in our lives, and it's important to keep them safe and healthy. Help make sure your furry family members are protected against unplanned vet expenses for covered accidents or illnesses with MetLife Pet Insurance*.

Like health insurance for you and your family, pet insurance is coverage for dogs and cats that can help you be prepared for unexpected vet costs. With MetLife Pet Insurance, you may be able to cover up to 100% of the veterinary care expenses from any licensed veterinarian, specialist, or emergency clinic across the U.S.

Retirement Savings and Financial Wellness

We are proud to invest in your financial health and future by providing a core contribution to you that is equal to 2% of your pay and also matching 50% for each dollar you contribute to your 401(k), up to the first 6%. To maximize your employer match, you would want to contribute 6% of your paycheck so you can receive the full 3% match from UnityPoint Health.

In addition, you will be enrolled in the annual increase program. Unless you elect otherwise, your pre-tax contributions will increase annually each May (assuming you have been employed for at least six months) by 1% up to a maximum of 10%.

ELIGIBILITY

You are eligible to participate in the retirement savings plan once you have reached age 18.

Paid Time Off (PTO)

The chart below will help provide you with details on our System-wide PTO plan. The purpose of PTO is to give team members flexibility in scheduling time away from work. PTO combines vacation, individual or family related sick days, holidays, and personal days you might need during the year. The PTO plan includes time off required under all state and local paid leave laws to include sick and safe leave.

UnityPoint Recognized Holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day.

UnityPoint Health PTO Accrual Chart

YEARS OF SERVICE COMPLETED	PTO ACCRUED PER HOUR*	MAXIMUM ANNUAL ACCRUAL* (BASED ON 2080 HOURS ANNUALLY)	MAXIMUM CARRYOVER
0	0.0731	40 hours/5 days loaded at hire** 152 hours/19 days accrual	320
1-4	0.0923	192 hours / 24 days	320
5-9	0.1115	232 hours / 29 days	320
10-14	0.1231	256 hours / 32 days	320
15-19	0.1346	280 hours / 35 days	320
20+	0.1385	288 hours / 36 days	320

*To calculate your PTO accrual per pay period, multiply the "PTO Accrued per Hour" number above by the number of hours you are paid per pay period (not to exceed 80 hours per pay period or 2080 hours annually). For example, if you are a team member who has 16 years of service and are a .75 FTE or work 60 hours per pay period, your calculation to project your PTO accrual in the future would be as follows: $.1346 \times 60 = 8.07$ accrued hours in a pay period.

**Prorated based on FTE

Finley Hospital providers should reference the Dubuque Non-Union Team Member benefits guide for their PTO accrual chart.

PTO Cash

Benefit eligible team members are eligible to cash out up to 40, 60 or 80 hours of PTO, in 5-hour increments, annually. Please review the information below for further details and contact AskHR if you have questions.

› **Maximum Hours to Cash Out**

Years of service are determined at the date of election.

- 0-4 years of service - 40 hours
- 5-9 years of service - 60 hours
- 10+ years of service - 80 hours

› **Election Period****

During Open Enrollment

› **Payout Dates**

Announced during the annual open enrollment period.

› **Eligibility***

Active, benefit eligible team members who are budgeted to work 32 hours or more per pay period (0.4 FTE or more).

› **Required Remaining Balance*****

There is no requirement to have any remaining balance in your PTO account after the cash out occurs.

*In order to receive a PTO Cash election, you must be an active, benefit eligible team member at the time of the payout.

**PTO cash elections can only be made within the election period. You will not be able to make changes, including cancellation, to your PTO cash election(s) outside of the election period.

***While there is no required remaining balance, if you elect to cash out more hours than you have in your bank at the time of the payout dates, you will not receive the full elected cash-out amount. Instead, your payout will be reduced to the number hours in your bank at the time of the payout.

Parental Leave & Adoption Assistance

Parental Leave

We know it is important for you to take time to care for your newborn or adopted child. Any full-time benefit eligible team member (0.8 FTE or more) who has at least six months of employment with UnityPoint Health will have the ability to:

- › Receive 80 hours of additional Paid Time Off (PTO)
- › Utilize a position-guaranteed leave

ABOUT YOUR BENEFIT

When you request a parental leave following the birth or adoption of a child, UnityPoint Health will provide 80 hours of additional Paid Time Off (PTO). The additional days will be added to your PTO bank and can be used through your regular time off request.

UnityPoint Health will also extend a position-guaranteed leave for two additional weeks. This extension will take place upon the exhaustion of Family Medical Leave Act (FMLA), Wisconsin Family and Medical Leave Law (WFMLL), Iowa Pregnancy Leave Law (IPLL), and/or Short-Term Disability. These additional two weeks must be taken consecutively.

Adoption Assistance

UnityPoint Health will grant up to \$6,000 in reimbursement, per child, for expenses related to the process of the legal adoption of a child to full-time and part-time benefit eligible team members who have completed at least 90 days of employment. For reimbursement, benefit eligible team members must complete the Application for Assistance and provide a copy of finalized adoption paperwork along with copies of appropriate bills, invoices, receipts, or other statements that verify the amount of adoption assistance being requested. This is done by submitting a case in Lawson to AskHR. If both parents work for UnityPoint Health, the total amount of reimbursement per legal adoption of a child is up to \$6,000 per child.

CommUNITY Networks, Team Member Discounts & Earned Wage Access

CommUNITY Networks

CommUNITY Networks are online communities open to all team members, regardless of geographic location. They focus on System-wide initiatives and opportunities, and allow you to connect with team members who share similar experiences across the organization.

These networks provide space for individuals with similar identities, backgrounds, and experiences to build stronger connections and help improve our internal culture. This regular connection point is a safe space for team members to share experiences, engage in meaningful conversations, share ideas, and find community.

Participation in CommUNITY Networks is voluntary.

OnPoint for Health: Wellness Credit and Wellness Rewards

2027 Wellness Credit

Benefit-eligible team members enrolled in a UPH health plan can earn a \$20 per pay period credit added to their paycheck, rewarding them for making wellness a priority. A covered spouse/domestic partner would be eligible for an additional \$20 if they are enrolled in your UPH health plan. To earn the credit, team members and their spouse/domestic partner must do the following:

- 1 Complete an **annual physical** with your primary care provider (PCP) between December 1, 2025 - November 30, 2026.
- 2 Log into the OnPoint for Health portal between October 1, 2026 - December 18, 2026 to complete the online Health Risk Assessment (HRA).

2026 Wellness Rewards*

Benefit-eligible team members (even if they are not enrolled in a UnityPoint Health medical plan) and their spouse/domestic partner (who must be enrolled in a UnityPoint Health medical plan) can earn points by completing challenges in [OnPoint for Health](#) to earn financial rewards. Challenges will be available after January 1, 2026.

ACHIEVE 1,500 POINTS

earn a **\$100 REWARD** paid out on your paycheck

ACHIEVE 3,000 points

earn a **\$150 REWARD** paid out on your paycheck

Please note: All wellness rewards are subject to tax and you must be in an active, benefit-eligible status at the time the reward is paid out in order to receive it.

DID YOU KNOW?

Both UnityPoint Health health insurance plans completely cover the cost of your annual physical with your PCP.

HEALTH RISK ASSESSMENT (HRA)

Review the [Notice Regarding Wellness Program](#) for information on what will be collected, how it will be used, who will receive it and what will be done to keep it confidential.

*Eligibility for these rewards will be reviewed on a monthly basis between February and December 2026. The financial reward will be paid out by the 2nd paycheck of the following month in which the point total is achieved.

- › Ineligible expenses include, but are not limited to, meals, lodging, transportation and tools or supplies (other than textbooks) that can be kept after completing the course of instruction
- › Educational programs not covered include, but are not limited to, individual courses for sports, recreation or hobbies, unless part of a degree program and seminars, conferences and workshops.
- › Although attainment of educational goals often leads to improved performance and new career opportunities, participation in this program does not guarantee a specific career result such as a promotion or salary increase.
- › In compliance with IRS regulations (section 127), employer provided educational assistance is exempt from taxation up to a maximum of \$5,250 per calendar year. Taxes will be assessed if, at the time of payment processing, the total amount of tuition assistance paid in the calendar year exceeds \$5,250. Please consult with your tax advisor for additional information.

Work Commitment

A team member who voluntarily terminates employment or is terminated for cause within 12 months of receiving education assistance through Tuition Reimbursement will be required to refund UnityPoint Health 100% of the payments received within that time period on a pro-rated basis from the time of last payment and date of termination.

Public Service Loan Forgiveness (PSLF) Support

PSLF is a federal program created for those in public service jobs, offering the opportunity to have your federal loan balances forgiven after 10 years and 120 qualifying payments – all tax free!

Team members can receive PSLF support through Fidelity's Summer program aimed at streamlining and automating the process while reducing stress with resources that may help increase financial well-being and confidence.

KEY FEATURES OF THE PROGRAM INCLUDE:

- › **Complete PSLF coverage** – Summer manages the entire PSLF process for borrowers from checking eligibility to employer coordination and online form submission.
- › **Recertification support** – Summer works with borrowers and their employers to ensure all PSLF requirements are met.
- › **Protection from server mistakes** – Summer has deep experience navigating rejections from loan servicer mistakes.

For help from an expert to determine your eligibility or support filling in your forms, visit fidelity.com/forgiveness. Employment certification forms ready for completion should be sent to UPH_HRSharedServices@unitypoint.org.

Student Loan Origination & Refinancing

Fidelity's Credible program is one way to find options to pay for college. Credible is an online marketplace that provides borrowers looking for private student loans with competitive, personalized, prequalified rates from up to 8 vetted lenders.

There is no cost to request offers, and checking rates will not impact your credit score.

Key features of the program include:

- › Personalized rates, not ranges from multiple lenders
- › Ability to comparison shop across lenders to find the best solution for your situation
- › No hidden fees, original fees, or prepayment penalties
- › Simple online process that keeps your data confidential

To access Credible, log into the Fidelity portal at netbenefits.com.

This booklet highlights the main features of the benefit plans sponsored by UnityPoint Health. Full details of these benefits are contained in the legal documents governing the plans. If there is any discrepancy or conflict between the plan documents and the information presented here, the plan documents will govern. In all cases, the plan documents are the exclusive source for determining rights and benefits under the plans. UnityPoint Health reserves the right to change or discontinue the plans at any time with appropriate notification. Participation in the plans does not constitute an employment contract. HIPAA Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after marriage. You must request enrollment within 60 days of birth, adoption, placement for adoption, loss of eligibility for Medicaid or Children's Health Insurance Program (CHIP) or becomes eligible for subsidy (state premium assistance program). To request special enrollment or obtain more information, contact UnityPoint Health's AskHR department by calling (888) 543-2275.

Women's Health And Cancer Rights Act of 1998 (WHCRA)

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Call Wellmark Customer Service at (800) 546-3939 for more information.

No Surprise Act Notice

Federal law requires health insurance issuers offering group health insurance coverage to make available a notice to team members informing them of federal restrictions on balance billing and the requirements under Code 9816, ERISA section 716, and PHS Act second 2799A-1. The [No Surprise Act Notice](#) also lets you know how you may contact appropriate state or federal agencies if a provider or facility has violated the restrictions against balance billing.

Premium Assistance Under Medicaid and The Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or [CHIP](#) and you live in a state listed in the [CHIP notice](#), contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1(877) KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1(866) 444-EBSA(3272).

If you live in one of the states listed in the [CHIP notice](#), you may be eligible for assistance paying your employer health plan premiums. Contact your state using the [contact information provided here](#) for more information on eligibility.

Marketplace Notice

The Patient Protection and Affordable Care Act (ACA) requires employers to provide team members with a written notice informing them of the existence of the Marketplace, including a description of the services provided by the Marketplace. The [Marketplace Notice](#) also lets you know how you may contact the Marketplace to request assistance.

Illinois Consumer Coverage Disclosure

For team members residing in Illinois, the Consumer Coverage Disclosure Act (CCDA) requires employers to disclose a written list of benefits offered compared to the list of essential health benefits issued by the State of Illinois. The [Illinois Consumer Coverage Disclosure](#) lets you compare the benefits offered by UnityPoint Health with the state's 'Benchmark Plan' posted on the Illinois Department of Labor website.

Notice of Privacy Practices

The HIPAA Privacy Rule requires groups offering certain health benefit plans to develop and distribute a Notice of Privacy Practices (NPPs). The [Notice of Privacy Practices](#) must describe how the covered entity may and may not use protected health information (PHI) and what your rights and obligations with respect to protected health information (PHI) are.

Voluntary Benefit Notice

UnityPoint Health does not sponsor, endorse or administer these voluntary programs or benefits and these voluntary programs or benefits do not constitute an "employee benefit plan" under the Employee Retirement Income Security Act of 1974 (ERISA), as amended.
